Caribbean Development Dynamics 2025 OECD, Inter-American Development Bank, 2024-12-13 *The Caribbean Development Dynamics* is a new joint flagship report by the Development Centre of the Organisation for Economic Co-operation and Development (OECD) and the Inter American Development Bank (IDB). It advocates for a shift in perspective on the Caribbean's development prospects beyond the assessment of challenges; it casts light on the region's opportunities based on fresh comparable data and provides policy recommendations. Its regional perspective highlights policy options and areas of common interest while acknowledging regional diversity as a unique asset. This inaugural edition adopts a multi-dimensional approach to analysing key development trends.

Transforming Development Practice and Environmental Stewardship Ronald James Whitmore, 1998      *The Word and Words Made Flesh*, In this spiritual autobiography the author focuses on eight segments of the life and work of Jesus, their application to the ministerial vocation in the world today and the particular mission of the Presbyterian clergyman over the past seventy-five years. Devout in his faith and beliefs, the author maintains a unique perspective: I perceive my life as well as the lives of others in a rather different vein than does society in general. He says, I sense my life and the lives of others as God breathed life and lives coming from God. And in a sense, the Word and words made flesh in each event. From his specialized viewpoint, he reveals the role of God and ministry in his life, a life that in the end will span no more than the space of two of God's breaths.
