

Courageous Imperatives for Human Services

Driving Human Services Technology and Process Innovation: Opportunities for Modernizing and Aligning Service Delivery for America's Communities

Affinity Transition Recommendations for the Administration and Congress

AHSA

The following is part of AHSA's series, *Courageous Imperatives for Human Services*, which provides recommendations to the incoming Administration and Congress to help develop strategies that unlock the potential of human services. To learn more about this series and how we can work together to create a country where everyone thrives, visit our [Affinity Transition Recommendations page](https://www.affinitytransition.com/recommendations).

Courageous Imperative #2: Modernize human services technologies through process innovation, enhanced cross-programmatic interoperability, and strategic systems implementation.

Outcomes

1. Integrity and Accuracy

- Improved program integrity and payment accuracy by adopting Artificial Intelligence (AI)-enabled service delivery processes and analytics tools
- Increased efficiency and alignment through strategic deconstruction of shared technologies
- Improved customer service, additional services, and quality control when workers are freed from outdated administrative tasks and enabled to do value-added, independent services

2. Efficiency and Simplicity

- Streamlined program access for customers, more efficient program administration for workers, and reduced barriers to service delivery for providers
- Streamlined and modernized federal technology policy and funding mechanisms to enable efficient program administration and to build and maintain modern interoperable systems
