Developing Vocational Expertise Principles And Issues In Vocational Education:

Developing Vocational Expertise John Stevenson, 2020-08-04 An ambitious book with a number of excellent chapters It will stand out in the broad field of vocational education and training for its strong basis in the research literature Professor Michael Young London Institute of Education Developing Vocational Expertise offers a systematic foundation for vocational education and training Drawing on current research it provides a theoretical basis for teachers and trainers to develop instructional strategies The contributors emphasise the importance of considering learning in context They examine the core areas of literacy numeracy information literacy problem solving and creativity as well as newer areas of instruction flexible learning and guided learning Each chapter takes a structured approach to developing core sets of knowledge and skills for work Within each area of expertise recent theoretical and research developments are outlined and the implications for curriculum development teaching and learning are explained Teachers and trainers are encouraged to select an appropriate combination of approaches to suit the particular needs of their students and circumstances Developing Vocational Expertise is an essential resource for students in vocational and occupational education and will also interest technical and further education teachers and industry trainers

Customer Service Intelligence Merilynn Van Der Wagen, 2007-11-02 Customer Service Intelligence uses a wide range of management and educational theories to provide different approaches that can be incorporated as part of the customer service trainer's toolkit Concepts such as emotional intelligence behaviour modification role modelling dimensions of procedure and conviviality expectancy theory socio cultural concepts of service community customer service as dynamic object in activity theory Zen mindfulness all form the basis of training design in different contexts Some trainers are dealing with new employees in fast food environments others are retraining engineers in customer service provision as part of a strategic marketing initiative This book enables the trainer to review the context for training and select the most appropriate approach to take The training design is thus carefully thought through for maximum impact on the audience Professionalism in customer service training is essential for the growth of many industries This complex and challenging task is assisted by these perspectives recommendations and case studies

Dance, Human Rights, and Social Justice Naomi Jackson, Toni Shapiro-Phim, 2008-11-06 Dance Human Rights and Social Justice Dignity in Motion presents a wide ranging compilation of essays spanning more than 15 countries Organized in four parts the articles examine the regulation and exploitation of dancers and dance activity by government and authoritative groups including abusive treatment of dancers within the dance profession choreography involving human rights as a central theme the engagement of dance as a means of healing victims of human rights abuses and national and local social political movements in which dance plays a powerful role in helping people fight oppression These groundbreaking papers both detailed scholarship and riveting personal accounts encompass a broad spectrum of issues from slavery and the Holocaust to the Bosnian and Rwandan genocides to the Israeli Palestinian conflict from First Amendment cases and the AIDS epidemic to

discrimination resulting from age gender race and disability A range of academics choreographers dancers and dance movement therapists draw connections between refugee camp courtroom theater rehearsal studio and university classroom
