**Comics and Videogames** Andreas Rauscher, Daniel Stein, Jan-Noël Thon, 2020-10-18 This  
 book offers the first comprehensive study of the many interfaces shaping the relationship between comics and videogames It  
 combines in depth conceptual reflection with a rich selection of paradigmatic case studies from contemporary media culture  
 The editors have gathered a distinguished group of international scholars working at the interstices of comics studies and  
 game studies to explore two interrelated areas of inquiry The first part of the book focuses on hybrid medialities and  
 experimental aesthetics between comics and videogames the second part zooms in on how comics and videogames function  
 as transmedia expansions within an increasingly convergent and participatory media culture The individual chapters address  
 synergies and intersections between comics and videogames via a diverse set of case studies ranging from independent and  
 experimental projects via popular franchises from the corporate worlds of DC and Marvel to the more playful forms of media  
 mix prominent in Japan Offering an innovative intervention into a number of salient issues in current media culture Comics  
 and Videogames will be of interest to scholars and students of comics studies game studies popular culture studies  
 transmedia studies and visual culture studies
