Desperately Seeking Mary Els Maeckelberghe, 1991 Peeters 1991 *Mary* Beverly Roberts Gaventa, 1999-01-01 Beverly Roberts Gaventa A fresh distinctive Protestant treatment of Mary's life and legacy **Hail Mary?** Maurice Hamington, 2014-04-23 Hail Mary examines the sexist and misogynist themes that underlie the socially constructed religious imagery of Mary the mother of Jesus Maurice Hamington explores the sources for three prominent Marian images Mary as the the blessed Virgin Mary the Mediatrix and Mary the second Eve Hamington critiques these images for the valorization of sexist forces with the Catholic Church that serve to maintain systems of oppression against women In challenging dominant religious representations of Mary Hamington surveys a variety of emerging reinterpretations of Mary He then provides a framework for further study of non alienating images of Mary **A Feminist Companion to Mariology** Amy-Jill Levine, Maria Mayo Robbins, 2005 The twelve essays in this volume explore through various approaches not only the biblical portraits of Mary but also both the quest for the historical Mary and the understandings of those portraits through the centuries BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Critical Review of Books in Religion , 1993 **Feminist Studies** , 1992 *The Catholic Periodical and Literature Index* , 1995 *Journal for the Study of Religion* , 2005 **European Yearbook in the Sociology of Law** , 2000 Jesus Through the Centuries Jaroslav Pelikan, 2005 This publication was created for the History Book Club in 2005 It comprises two complete books in the one volume This text looks at two figures from their earliest representations through to their depictions in today's world **Longing for the Fall** Annelies van Heijst, 1995 Peeters 1995 **Elenchus of Biblica** , 1993 **Virgins, Martyrs and Whores** Rita Cano Alcalá, 1997 *The Catholic Biblical Quarterly* Wendell Stephen Reilly, 1996 Includes various reports of the Association **Quest** , 1994 **Women's Studies** Roberta Rosenberg, 2001 This interdisciplinary anthology presents major issues and controversies currently debated in the disciplines of anthropology biology history literature psychology religion and sociology All the essays focus on the social constructiveness of gender and the ways definitions of femininity and masculinity influence the formation of the individual society and culture Specific chapters address social and philosophical issues in women's experiences language and gender theory psychological and biological issues popular culture and performing arts and literature and gender relations c Book News Inc *Ephemerides theologiae Lovanienses* , 1991 **HOW TO ACQUIRE BOOKS LISTED IN CURRENT CONTENTS** , 1996 **Transformative Power in Motherwork** Marie Porter, 2008 This book explores the experiences of a group of Australian women who became first time mothers between 1950 and 1965 A grounded theory of transformative power in motherwork is presented that has emerged from the analysis of interviews The mothers talked about what they did in their active mothering years The author argues that despite being constrained by the gender bias in the patriarchal context these mothers were agents who developed skills that enabled them to resist or creatively deal with most of the constraints they faced Their emphasis was on

their agency and the power to nurture their children into responsible adults Their awareness of the importance of their motherwork acted as a motivator in this development The author further argues that the relationship between each mother and each of her children is a transformative power relationship in which both mother and child are transformed the child into an independent adult and the mother into a skilled self motivated agent through her motherwork Any threat to this process resulted in the mother doing all she could to resist or counteract the constraints she was encountering Transformative power expressed in motherwork can be recognised analytically by several characteristics It empowers both parties in the mother child duality Complexity diversity fluidity and responsiveness to the physical intellectual and emotional aspects of the relationship are all evident in transformative power relationships Heroes and Housewives Adeline Johns-Putra, 2001 In the Romantic age women poets wrote epics to pay tribute to female domesticity instead of solely to praise masculine and public achievement These poets were empowered not repressed by the idea of separate spheres They celebrated the domestic woman as a figure of authority They assumed this authority themselves and drew on it in order to write epic poetry This book examines a variety of women's epics from war epics to biblical narratives from heroic poems to mock epics It also includes an analysis of the female Gothic in verse reading it as an alternative epic of fall and salvation for the domestic woman
