Despite Good Intentions

**Gerard Vissering, J. Westerman
Holstijn**

Despite Good Intentions:

The People Make the Place D. Brent Smith, 2008 First Published in 2008 Routledge is an imprint of Taylor Francis an informa company Leadership Ethics Lamar Odom, 2010-06 *Redeeming Singleness* HyoJu Lee, 2017-02-16 Have you made a New Year's resolution to get married out of nowhere Did it work When the author turned thirty she put getting married on her New Year's resolution list not because she wanted to get married or had a boyfriend but because of social pressure in which she lived Social pressure made her think that if she wanted to ever get married it was better to do so sooner than later For three consecutive years she prayed about it and made efforts to form relationships After three years passed by she was still single and unhappy As she reflected on her unhappiness she finally realized that she was not happy because she was not able to accomplish a goal that was ultimately out of her control How absurd it was to put get married on my New Year's resolution As she eliminated marriage from her New Year's resolutions and focused on what she really wanted to do with her life her energy level was boosted Although she did not have any tool to frame her singleness she happened to choose the best course for her Only if she knew the socially constructed characteristics of marriage the first three years of her thirties would have been different The author hopes ministers and never married single women can learn what we think is normal is a very contextual product The author invites never married single women to own their own stories instead of being owned by metanarratives in their lives *Reunion* Pioneer Lawmakers' Association of Iowa, 1905

Compte rendu International Congress of Hygiene and Demography, 1912 **Transactions of the Fifteenth International Congress on Hygiene and Demography**, 1913 *Transactions of the fifteenth International congress on hygiene and demography v. 5*, 1913 The Netherlands and the World War, 1928 **The Effect of the War Upon Banking and Currency** Gerard Vissering, J. Westerman Holstijn, 1928 **Economic and Social History of the World War** Carnegie Endowment for International Peace. Division of Economics and History, 1928 *Advising Ike* Herbert Brownell, John P. Burke, 1993 In this enlightening volume Brownell the man Dwight D Eisenhower said would make an outstanding president recounts his achievements and trials as the GOP's most successful presidential operative of the 1940s and 50s and as Attorney General at a crucial time in American history Political science professor and coauthor Burke is the author of *The Institutional Presidency* 26 photographs *Governance by Decree* Ruth P. Morgan, 2004 The Voting Rights Act of 1965 which originally was intended to prohibit barriers to black registration and voting has been hailed as a triumph for civil rights and as a catalyst for the election of minorities to public office in both the Deep South and the urban North To advance its objective federal courts instructed many cities to change from at large to single member district electoral systems as a way to ensure that minorities had a reasonable chance to elect representatives of their choice In the first book to critique the implementation of this landmark legislation in a major American city Ruth Morgan examines its effect on local governance over forty years in Dallas and shows that it had unintended consequences for racial politics representation and

public policy Breaking from studies that measure the success of the VRA in terms of increased minority representation Morgan assesses the consequences of the Act for Dallas city government and for the wider interests of minorities as well While endorsing the original intent of the VRA Morgan believes that this intent was subverted by subsequent amendments to the Act and by the courts attempts to advance the political standing of particular minority groups She argues that court imposed single member districts have created in Dallas a city council infected with parochialism and careerism a result of members no longer having to compromise to win citywide votes and have had an adverse impact on governmental effectiveness and voter turnout With corruption and cronyism now rampant voting rights legislation and litigation have ultimately failed to fulfill the hopes and aspirations of the unempowered and the district system has created an incentive for continued racial separation Governance by Decree offers a pointed assessment of the complexities and contradictions produced by the voting rights law while at the same time calling for the federal judiciary to exercise restraint in imposing its will when it lacks the capacity to make choices that are inherently political Morgan s powerfully argued case study should inspire much debate and inform forthcoming congressional deliberations over the renewal of the preclearance section of the VRA in 2007

What Men Live by Richard Clarke Cabot,1914 **St. Louis Catholic Historical Review** Charles Léon Souvay,John Ernest Rothensteiner,1918 **Engineering Magazine** ,1906 **Report of the Public Service Commission for the First District of the State of New York** New York (State). Public Service Commission. 1st District,1918

Documents of the Senate of the State of New York New York (State). Legislature. Senate,1917 *Factory and Industrial Management* John Robertson Dunlap,Arthur Van Vlissingen,John M. Carmody,1906 Documents of the Assembly of the State of New York New York (State). Legislature. Assembly,1918 *Report of the Public Service Commission for the First District of the State of New York* New York (State). Public Service Commission. First District,1917
