The Ships of Earth Orson Scott Card, 1995-01-15 The City of Basilica has fallen Now Wetchik Nafai and all their family must brave the desert wastes and cross the wide continents to where Harmony's hidden spaceport lies silent abandoned waiting for the command to make the great interstellar ships ready for flight again But of these sixteen people only a few have chosen their exile The others Rasa's spiteful daughters and their husbands Wetchik's oldest son Elemak have been forced against their will Their anger and hatreds will make the difficult journey harder Orson Scott Card's Homecoming series The Memory of Earth The Call of Earth The Ships of Earth Earthfall Earthborn At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *Destination Oversoul* Ronald Beesley, 1964

Knowledge and Epistemology Hector Davidson, This book bundle contains these books Epistemology Empiricism Feminist Philosophy Phenomenology Pragmatism Transcendentalism **Welcome to the Spirit World** Sharon Margolis, 2018-08-22 Welcome to the spirit world Allow me to introduce you to the universe of metaphysics Based on my personal experiences this book explains the fundamental concepts of psychic phenomena While in the spirit world my thoughts and emotions were shared first by my friend Ruth and later by others as though we had one mind I felt their fears and desires their awe and adventurous spirit They knew mine as well Yet back in our body we could only communicate through the spoken word We journeyed to the land of the dead danced in the eternal light delved into spirit worlds none of us dreamed existed Specters of the dark side guided us through their realms Shaman in the twilight wolf wilderness Spirit Bird in the Valley Of The Birds Joel the medieval Irishman in the Record Of All Time Ruth and I thought our travels together were wondrous accidents until it happened again and again Each experience was more complex and powerful than the last Our journeys were never planned nor did we discuss beforehand places we had discovered while there alone Neither of us wanted to plant subconscious hints as to where we should go or what we should do But once we were there we led each other to our secret places dimensions and past lives of which the other person had no knowledge This book tells of my experiences on the astral planes with Ruth alone and with other travelers It also includes explanations of metaphysical topics such as astral travel channeling and metaphysical energy This should help you to understand the goings on during my journeys as well as afford you a sound base for further investigations Take my hand and let us begin our voyage Walt Whitman Review, 1970

The Education of Oversoul Seven Jane Roberts, 1973 Encountering the Secular J. Heath Atchley, 2009-02-11 In *Encountering the Secular* J Heath Atchley proposes an alternative to the understanding of the secular as that which opposes the religious and he turns to American and Continental philosophy to support his critique Drawing from thinkers as disparate as Ralph Waldo Emerson and Gilles Deleuze and engaging with contemporary literature and film Atchley shows how the division of experience individual cultural political into the distinct realms of the religious and the secular overlooks the subtle ways in which value can emerge Far from arguing that the religious and the secular are the same he means instead to

suggest that the dogmatic separation between these two realms gets in the way of experiencing an immanent value a kind of value tied neither to a transcendent reality e g a god or an ideal nor to a self centered reality e g pleasure or knowledge Each chapter cultivates a particular concept that challenges the breach between the secular and the religious rendering that breach ambiguous Such ambiguity the author affirms is relevant to a time when rigid and simplistic notions of religion and secularity are used to justify thoughtlessness and even violence All too often the secular is thought of either as a triumph in overcoming the presumed irrationality and oppression of religion or as lament in losing the meaning religion is thought once to have offered Atchley suggests a view of the secular as an opportunity to experience an immanent value that is neither controlled by the human self nor conferred by a divine entity Written in a prose that is lucid lively and provocative Encountering the Secular shows how a philosophical endeavor might be understood as a spiritual practice
