Encyclopedia of African American Women Writers Yolanda Williams Page, 2007-01-30 African American women writers published extensively during the Harlem Renaissance and have been extraordinarily prolific since the 1970s This book surveys the world of African American women writers Included are alphabetically arranged entries on more than 150 novelists poets playwrights short fiction writers autobiographers essayists and influential scholars The Encyclopedia covers established contemporary authors such as Toni Morrison and Gloria Naylor along with a range of neglected and emerging figures Each entry is written by an expert contributor and provides a brief biography a discussion of major works a survey of the author's critical reception and primary and secondary bibliographies Literature students will value this book for its exploration of African American literature while social studies students will appreciate its examination of social issues through literature African American women writers have made an enormous contribution to our culture Many of these authors wrote during the Harlem Renaissance a particularly vital time in African American arts and letters while others have been especially active since the 1970s an era in which works by African American women are adapted into films and are widely read in book clubs Literature by African American women is important for its aesthetic qualities and it also illuminates the social issues which these authors have confronted This book conveniently surveys the lives and works of African American women writers Included are alphabetically arranged entries on more than 150 African American women novelists poets playwrights short fiction writers autobiographers essayists and influential scholars Some of these figures such as Toni Morrison and Gloria Naylor are among the most popular authors writing today while others have been largely neglected or are recently emerging Each entry provides a biography a discussion of major works a survey of the writer's critical reception and primary and secondary bibliographies The Encyclopedia closes with a selected general bibliography Students and general readers will welcome this guide to the rich achievement of African American women Literature students will value its exploration of the works of these writers while social studies students will appreciate its examination of the social issues these women confront in their works

Sistahs in the Struggle La Donna Forsgren, 2020-10-15 Outstanding Academic Title CHOICE The first oral history to fully explore the contributions of black women intellectuals to the Black Arts Movement *Sistahs in the Struggle* reclaims a vital yet under researched chapter in African American women's and theater history This groundbreaking study documents how black

women theater artists and activists many of whom worked behind the scenes as directors designers producers stage managers and artistic directors disseminated the black aesthetic and emboldened their communities Drawing on nearly thirty original interviews with well known artists such as Ntozake Shange and Sonia Sanchez as well as less studied figures including distinguished lighting designer Shirley Prendergast dancer and choreographer Halifu Osumare and three time Tony nominated writer and composer Micki Grant La Donna L Forsgren centers black women s cultural work as a crucial component of civil rights and black power activism *Sistuh's in the Struggle* is an essential collection for theater scholars historians and students interested in learning how black women s art and activism both advanced and critiqued the ethos of the Black Arts and Black Power movements *Beyond the Black Lady* Lisa B. Thompson, 2023-12-11 In this book Lisa B Thompson explores the representation of black middle class female sexuality by African American women authors in narrative literature drama film and popular culture showing how these depictions reclaim black female agency and illustrate the difficulties black women confront in asserting sexual agency in the public sphere Thompson broadens the discourse around black female sexuality by offering an alternate reading of the overly determined racial and sexual script that casts the middle class black lady as the bastion of African American propriety Drawing on the work of black feminist theorists she examines symptomatic autobiographies novels plays and key episodes in contemporary American popular culture including works by Anita Hill Judith Alexa Jackson P J Gibson Julie Dash Kasi Lemmons Jill Nelson Lorene Cary and Andrea Lee

Writing African American Women Elizabeth A. Beaulieu, 2006-04-30 Women have had a complex experience in African American culture The first work of its kind this encyclopedia approaches African American literature from a Women s Studies perspective While Yolanda Williams Page s *Encyclopedia of African American Women Writers* provides biographical entries on more than 150 literary figures this book is much broader in scope Included are several hundred alphabetically arranged entries on African American women writers as well as on male writers who have treated women in their works Entries on genres periods themes characters historical events texts places and other topics are included as well Each entry is written by an expert contributor and relates its subject to the overall experience of women in African American literature Entries cite works for further reading and the encyclopedia closes with a selected general bibliography African American culture is enormously diverse and the experience of women in African American society is especially complex Women were among the first African American writers and works by black women writers are popular among students and general readers alike At the same time African American women have been oppressed and texts by black male authors represent women in a variety of ways The first of its kind this encyclopedia approaches African American literature from a Women s Studies perspective and thus significantly illuminates the African American cultural experience through literary works Included are several hundred alphabetically arranged entries written by numerous expert contributors In addition to covering male and female African American authors the encyclopedia also discusses themes major works and characters genres periods historical

events places and other topics Included are entries on such authors as Maya Angelou James Baldwin Frederick Douglass Nikki Giovanni June Jordan Claude McKay Ishmael Reed Sojourner Truth Phillis Wheatley And many others In addition the many works discussed include *Beloved* *Blanche on the Lam* *I know Why the Caged Bird Sings* *The Men of Brewster Place* *Quicksand* *The Street* *Waiting to Exhale* And many more The many topical entries cover Black Feminism Black Nationalism Conjuring Children s and Young Adult Literature Detective Fiction Epistolary Novel Motherhood Sexuality Spirituality Stereotypes And many others Entries relate their topics to the experience of African American women and cite works for further reading Features and Benefits Includes hundreds of alphabetically arranged entries Draws on the work of numerous expert contributors Includes a selected general bibliography Offers a range of finding aids such as a list of entries a guide to related topics and an extensive index Supports the literature curriculum by helping students analyze major writers and works Supports the social studies curriculum by helping students use literature to understand the experience of African American women Covers the full chronological range of African American literature Fosters a respect for cultural diversity Develops research skills by directing students to additional sources of information Builds bridges between African American history literature and Women s Studies
