Destinys Carnival:

Destiny's Carnival Warren Murphy, Mark Brownwood, 1991-11-24 The bestselling creator of The Destroyer series turns to inhuman horror in this terrifying tale In a monstrous supernatural game that has been played for centuries a seventh son Coley and a chosen one Elissa must confront an evil opponent who has left a trail of tortured souls and slaughter **Giants of the Seas** Aaron Saunders, 2013-10-01 The cruise ship market is a 30 billion dollar industry and in 2013 it is estimated that it will carry more than 20 million passengers nor is there any sign of a slow down in the seven percent annual growth What keeps the passengers coming in such huge numbers isn't the food the ports or the entertainment They come for the magnificent floating palaces themselves the giants of the sea In this new book the author showcases the most influential cruise ships of the last three decades beginning with Royal Caribbean's ground breaking Sovereign of the Seas When she was launched in 1988 she was the largest passenger ship constructed since Cunard's Queen Mary entered service some 48 years earlier and her entry into service sparked a fiercely competitive building boom that continues to this day The reader is taken aboard thirty of the most spectacular ships to reveal how their innovative designs changed the landscape of modern cruising By employing original and archival photographs deck plans cruise programmes as well as the author's intimate knowledge of many of these vessels a unique picture is built up of these great ships and it becomes clear that the true Golden Age of Cruising is not in some distant past but exists right now and that its origins can be traced back to one ship launched in 1988 A truly sumptuous and fascinating book for all those drawn to the world of the modern cruise ship As seen in Ships Monthly Magazine **Destiny** William Emmett, 2013-04-25 The cratered surface of the moon sped past in total silence Menem absorbed in his instruments felt the first bump and looked up Instantly he could see the rocky cloud of boulders crashing toward Explorer 2 at tremendous speed With eyes full of terror he screamed out Stan get to your seat Stan dashed into the control room eyes wide and white faced Menem felt the ship twist in the air violently as the room exploded in fire around him Then a fearsome explosion sent him into oblivion Pieces of the ship glowing from the heat of destruction blasted out into the void cascading into a huge firestorm as a single glowing object rocketed out and away from the path of the debris
