DeVries,2020-11-17 If we love Christ fellow believers and to be effective in serving our God as worship unto Him we must know the five major Christian doctrines that divide the world churches Our soul and salvation of man is too important for us to indulge in ignorance of these five doctrinal truths that destroy the one body of Christ and limits what the world sees by the church Our Lord wants all men to be saved To further this with the love of God and man all should know the truth of The fivefold church ministry government An experiential baptism of the Holy Spirit Real baptisms truth destroys infant baptism If born of the Spirit and saved can we lose our salvation The vital and essential need for holiness **The Contender Vol. 7**

No. 2 Rev. Raymond Jackson,1975-03-15 For the basis of our study today we are discussing one of Christ s most profound and puzzling parables recorded in Matt 13 36 Isn t it strange that no other parable of this segment of seven recorded here ever puzzled the disciples as did this second one concerning the wheat and tares growing together **Where Are the Dead**

Saints? ,2018-12-17 God s Word is final and needs no further interpretation for it to make sense If we would take the Word of God as it is written in the Bible we would not have the many misunderstandings of the scripture that so many people are having Although the Word of God has already made it very clear where the souls of the dead saints are there are some preachers that want us to believe that when a Christian dies we go immediately to heaven The Bible did not say that so the Lord gave me this revelation reinforcing what the scripture has already said according to the words of the apostle Paul in First Thessalonians 4 13 18 Paul s experience where the revelation of the Lord is concerned regarding this matter was not his idea it was the revelation of the Lord I can also say that this revelation that I write about regarding the matter is not my idea they are the revelations of the Lord He gave them to me so I hope that this revelation will help make it clear that we are all here waiting for the Rapture The Lord gave me the revelation of the Rapture also and not just the apostle Paul It is in the book The revelation of the Lord was not just for the apostles God is still Lord of his church and will continue to give revelations to whomever he chooses to give them to Intercessory Training of Gatekeepers Prayer Warriors, and Watchmen on the Walls

Apostle Sharon E. Harris,2020-04-23 Every ministry needs the information in this groundbreaking book Intercessors are as vital to the church as air is to lungs There are many churches who have prayer teams who might meet every Saturday morning for an hour or so for corporate prayer but that is not enough Intercessors need to be strategically positioned in the spirit realm in the areas where God has appointed them They need to be trained on how to intercede and also on how to wage war in the Spirit This book covers all aspects of the intercessory ministry and after reading this book your views on intercessors and intercession will be transformed The church that applies the teachings in this book will begin to see the success of the breakthroughs they have been longing for in their local assembly The Day of the Saints Bill Hamon,2011-07-28 Hamon s novel is written with a sense of urgency and a surge of passion about God s great

Gordon Melton,1988 On t p A compilation of more than 450 creeds confessions statements of faith and summaries of doctrine of religious and spiritual groups in the United States and Canada Charisma and Christian Life ,2001 **Religion Index One** ,1998 **God's Family Government** Gerald Flurry,Philadelphia Church of God,2013-10-17 The greatest tragedy in this end time is the falling away of God s own Laodicean Church Rev 3 14 22 The Laodiceans comprised of several groups are deceived on many different issues But there is one issue that ALL of the Laodiceans are deceived on God s government And it is the most important subject in the Bible This booklet will explain how Christ is the Head of His spiritual body the Church He looks after and protects His family if they respond to Him The Bible indicates that 50 percent of the lukewarm Laodiceans will die for all eternity The other 50 percent experience the greatest suffering ever on this Earth Remember these are God s own people You can t afford not to understand this subject In this booklet God s Family Government Holding the Head How Satan Attacks God s Government This ebook is offered completely free of charge by the Philadelphia Church of God However please not that Google Play will need a verified Google Wallet account which requires your credit card information In a small number of countries a temporary authorization of 1 will be charged to your account but will be refunded This refund can take up to 1 month to process **Power or Performance** Cedric R. Spearmon,2021-02-05 Scandal corruption and deceit are all taking place within the house of God Much to our dismay the church is undeniably guilty of falling away from its original purpose We need the breath of God to breathe life back into the body of the church In order to help revive it we need pastors who have the heart of God who will not flinch when the world tries to impose itself on the church and who will do church the way God intended and not bow to the ideology concepts or influence of the world Power or Performance highlights many controversial subjects that the church has chosen to ignore or disregard The church has a central figure in the person of Jesus Christ a governing authority in the deity of God and a book of canonized scripture called the Bible The church cannot take it upon herself to make up the rules as she goes Author Cedric R Spearmon explores topics that expose the unethical behavior corruption deceit and egregious acts perpetrated by those who call themselves Christians He then exhorts the church to take a hard look in the mirror examine and return to the form God ordered and intended Offering a call to action this study calls attention to problems within the Christian church and exhorts the body of Christ to awaken to its sense of spiritual responsibility **The Problems Causing the Turmoils in the Church Life** Witness Lee,1993-10-01 This book identifies the major source of turmoil in the church life not having an adequate vision of God s economy and of the Body of Christ **OUT OF ORDER: The Self-Destruction Of A Mainline Denomination** Powell Sykes,2012-11-01 In 1927 American Presbyterians chose to stop listing and insisting upon the essential tenets of the Reformed faith instead they emphasized tolerance and essential action Since then historic biblically based Christianity has been supplanted more and

more by a different religion dubbed Religious Liberalism by the author within the largest Presbyterian denomination in the United States This coupled with decades of removing practical means of holding pastors accountable for any of their beliefs and much of their behavior is leading to that denomination s demise in the early years of the 21st Century The author combines historical overview and perspective with his own experiences as a pastor of Presbyterian churches in North Carolina to make his case The Church in Ruins William Crabb,Jeff Jernigan,1991 According to the authors the American church is out of touch with the world views social situations and psychological needs of the people it is called to reach The church must understand and adapt to our society without Biblical compromise if it is to become relevant healthy and Biblically effective The Power of the Original Church Joseph L. Green,2011-06-21 For too long God s enemy has effectively separated the Church from the true Word of God and God s appointed times This has caused the Church to lack power and influence Modern day churches are shells of the original Church that turned the world upside down The Power of the Original Church practically and biblically deals with the tragedy of how today s churches are not as effective as they could be You may ask Why should I care Until believers care about how powerful the Church is in their community and nation the enemy will continue to take more and more souls from Heaven s gates You may not recognize your surroundings in the future if Christians don t take a stand now God s way is about relationship and not religion Through the Word of God you will be empowered and truly the original Church can be restored in these days **The Fractured Church** Bill Sizemore,2012-05-23 *Behemoth's Mission, Sectarianism's Commission* Ruth McCormick,2015-07-11 Behemoth is a large system spiritually it is a principality This is where Behemoth operates in large systems and organizations 2 Corinthians 4 4 in whose case the god of this world has blinded the minds of the unbelieving so that they might not see the light of the gospel of the glory of Christ who is the image of God By blinding the minds of men to the true gospel of God Satan has set himself up as a counterfeit of the Creator God As the prince and the power of the air he broadcasts his evil rebellious attitudes to all humanity except for those that God has called out of his deceptions Behemoth is a large system in size and power organized and equipped Its purpose is that once strategically positioned it can oppress not just a soul at a time but multitudes Nations even The systems it will attempt to control overcome and dominate in include religious political cultural and or economic If we look back at the U S S R during the times of Communism that was a Behemoth operating in that Government structure It birthed a controlling dictatorship that caused many to lose their lives and freedom Communism is an anti Christ system that can control Nations but it is as well a weapon that Behemoth will use to its advantage to fulfill its assignment of dominance and hostile takeover Communism did fall in Russia but only after years of prayers and fasting for the dismantling of Behemoth During which many lost their lives and faced great destruction and loss Praise be unto God the gospel is now being preached in Russia and Churches are being established But this Construction could only be possible after the destruction of the former structures in this case as established by Behemoth Because Behemoths are Strongholds that must be broken in

order to see multitudes and Nations released from deception and darkness that has blinded their eyes to the gospel of Truth During that era when Communism was a key factor in Russia Communism a form of sectarianism controlled the minds of the multitudes These strongholds in the mind were erected by anti Christ ideology basically intrusive lies from the father of all lies We see this in operation in the world today through Islam This is a threat to the freedom and culture of Nations all around the world Islam currently controls entire Nations enslaving millions of people not to mention the torture many have and are enduring that is all being supported and validated by their belief system Islam spews a venom of what is really an anti Christ message The horrendous acts of violence and sexual exploitation of women and children is purely demonic in itself Not to mention the radical beheadings and burning alive of those that they call enemies of Allah as infidels they must all die Behemoth is more than a spirit of anti Christ and false religion Because it influences and dominates as well as controls governments cultures economics and Nations Just in the past week of the time that I am writing this Greece has fallen economically and now China is in trouble I heard a prophecy that was given years ago that stated that once Greece fell it would be like dominoes around the world many Nations would follow This is Behemoth dominating and controlling our worldwide economic systems Often times Sectarianism is released in religious circles as a means to allow the stronghold of Behemoth to assemble Full gospel Churches operating in the gifts of the Holy Spirit have in the past been guilty of thinking they have cornered the market of Christianity like they are God s favorites Some even discriminate against Baptist because there are those who are unwilling to open up to the move of the Holy Spirit or his gifting s The Black Churches and White Churches or any other cultures cannot seem to assemble in unity for the cause of Christ in their Cities **Aaron's rod blossoming, or, The divine ordinance of Church-government vindicated** George Gillespie, 1844 *The Stability of the Church of God, Independent of Political Changes. A Discourse, Etc* John BLACKBURN (Minister of Claremont Chapel, Pentonville.), 1833 **The Broken Church** K. Paul Dawson, 2016-06-28 This volume takes on the greatest challenge of today s church her brokenness Utilizing Christ s parables of the wheat and tares and of the net from Matthew 13 the author encourages the reader to reconsider the narrative of the church daring us to see her true nature as seen throughout history Step by step he leads us to surprising conclusions the first is that the brokenness of the church is part of God s plan Secondly that it is God s intent to use a broken church to reach a broken world This book tackles the dysfunction of the church without apology suggesting that the brokenness of the church is in fact a virtue Just as Isaiah described Christ s work as bearing our grief and being crushed for our iniquities the body of Christ takes upon itself the brokenness of the world in order to bring it healing
