Destroyer Captain Roger Hill, 1975-01-01

Dark Waters, Starry Skies Jeffrey Cox, 2023-03-02 Esteemed Pacific War historian Jeffrey Cox has produced a fast paced and absorbing read of the crucial New Georgia phase of the Guadalcanal Solomons Campaign during the Pacific War. Thousands of miles from friendly ports the US Navy had finally managed to complete the capture of Guadalcanal from the Japanese in early 1943. Now the Allies sought to keep the offensive momentum won at such a high cost. Determined not to repeat their mistakes at Guadalcanal the Allies nonetheless faltered in their continuing efforts to roll back the Japanese land, air and naval forces. *Dark Waters, Starry Skies* is an engrossing history which weaves together strategy and tactics with a blow by blow account of every battle at a vital point in the Pacific War that has not been analyzed in this level of detail before. Using first hand accounts from both sides this book vividly recreates all the terror and drama of the nighttime naval battles during this phase of the Solomons campaign and the ferocious firestorm many Marines faced as they disembarked from their landing craft. The reader is transported to the bridge to stand alongside Admiral Walden Ainsworth as he sails to stop another Japanese reinforcement convoy for New Georgia and vividly feels the fear of an 18 year old Marine as he fights for survival against a weakened but still determined enemy.

Devil's Fire, Southern Cross Jeffrey Cox, 2025-11-20 A fast paced and absorbing read of the final months of the crucial Guadalcanal Solomons campaign during the Pacific War by esteemed World War II historian Jeffrey Cox.

Japanese Destroyer Captain Tameichi Hara, 2011-08-15 This highly regarded war memoir was a best seller in both Japan and the United States during the 1960s and has long been treasured by historians for its insights into the Japanese side of the surface war in the Pacific. The author was a survivor of more than one hundred sorties against the Allies and was known throughout Japan as the Unsinkable Captain. A hero to his countrymen, Capt Hara exemplified the best in Japanese surface commanders: highly skilled, he wrote the manual on torpedo warfare, hard driving and aggressive. Moreover, he maintained a code of honor worthy of his samurai grandfather, and as readers of this book have come to appreciate, he was as free with praise for American courage and resourcefulness as he was critical of himself and his senior commanders.

Japanese Destroyer Captain. [By Tameichi Hara. Edited by Fred Saito and Roger Pineau. With Plates.] Tameichi Hara, 1961 The great naval battles of the Pacific are looked at through the eyes of a Japanese.
