Detachment The Art Of Letting Go While Living With An Alcoholic:

Detachment Evelyn Leite, 1998-09-15 Over the past few decades experts have increasingly recognized that alcoholism is a primary progressive and chronic disease that if unchecked can be fatal Many have failed though to realize that those closest to the alcoholic primarily the family generally suffer psychological damage and often become as emotionally distressed as the alcoholic himself Given the common effects of the disease of alcoholism and the society we re raised in it s all but impossible for those around a drinking alcoholic not to be drawn into the sickness Such persons especially the family members are apt to become anxious and fearful and to develop feelings of low self worth anger and resentment In short they re likely to develop their own emotional illness in connection with another s alcoholism and they too need help in dealing with the problem The feelings of anger shame and guilt associated with family alcoholism come from the constant confusion conflict unpredictability inconsistency mistrust and sense of failure that each member experiences The family victims seldom learn without outside help that they didn t cause the disease and that they can t control it This book discusses all these issues in depth

Choices and Consequences Dick Schaefer, 2010-12-21 Choices and Consequences describes the step by step process of intervention to stop a teenager s harmful involvement with chemicals Alcohol and other drug use among teenagers is epidemic Children as young as grade school age are experimenting with mood altering substances One out of every four high school students drink to excess when they drink Many teenagers are abusing alcohol and other drugs and many will die prematurely if they don t get help Choices Consequences tells you precisely how you can help Written for parents teachers family doctors mental health professionals school guidance counselors social workers juvenile justice workers clergy and anyone else who cares about teenagers it describes a step by step process called intervention that you can use to stop a teenager s harmful involvement with chemicals If you re worried about kids and alcohol or other drugs you can do something And you can start today with Choices Consequences
