The Social Psychology of Perceiving Others Accurately Judith A. Hall, Marianne Schmid Mast, Tessa V. West, 2016-04-01 We are constantly forming impressions about those around us Social interaction depends on our understanding of interpersonal behavior assessing one another s personality emotions thoughts and feelings attitudes deceptiveness group memberships and other personal

characteristics through facial expressions body language voice and spoken language But how accurate are our impressions and when does such accuracy matter How is accuracy achieved and are some of us more successful at achieving it than others This comprehensive overview presents cutting edge research on this fast expanding field and will be essential reading for anyone interested in the psychology of interpersonal perception A wide range of experts in the field explore topics including age and gender effects psychopathology culture and ethnicity workplaces and leadership clinicians skills empathy meta perception and training people to be more accurate in their perceptions of others *Psychology and Law* Neil Brewer, Kipling D. Williams, 2017-02-13 From the initial investigation of a crime to the sentencing of an offender many everyday practices within the criminal justice system involve complex psychological processes This volume analyzes the processes involved in such tasks as interviewing witnesses detecting deception and eliciting eyewitness reports and identification from adults and children Factors that influence decision making by jurors and judges are examined as well Throughout findings from experimental research are translated into clear recommendations for improving the quality of evidence and the fairness of investigative and legal proceedings The book also addresses salient methodological questions and identifies key directions for future investigation *Advances and Obstacles in Contemporary Nonverbal Communication Research* Miles L.
