Determined Virgin:

THE DETERMINED VIRGIN Elizabeth August, 2011-07-15 FROM VIRGIN BRIDE TO VIRGIN WIFE Newlyweds Garth and Hesper Lawton had agreed not to consummate their marriage of convenience But as the groom fought his feelings and desire for his sweet innocent bride he grumpily realized she intended to remain a virgin wife forever With her wedding ring gleaming on her finger and her love for her husband gleaming in her eyes Hesper wished she was more than a wife in name only But how could she tell Garth what could happen if he introduced her to passion Would he run for the hills Or would he make their marriage as real as their love had become

Versions of Virginity in Late Medieval England Sarah Salih, 2001 This study looks at the question of what it meant to be a virgin in the Middle Ages and the forms which female virginity took It begins with the assumptions that there is more to virginity than sexual inexperience and that virginity may be considered as a gendered identity

Borderline Virginites Sissel Undheim, 2017-07-28 How and why did virginity come to play such a crucial part in the Christian Church in the formative and defining period of Late Antiquity Sissel Undheim analyzes the negotiations over what constituted virginity and assesses its socio religious value in fourth century Rome by looking at those at the very margins of virginity and non virginity The Church Fathers efforts to demarcate an exclusively Christian virginity in contrast to the false virgins of their pagan adversaries displays a tension that it is argued played a larger role in the construction of a specifically Christian sacred virginity than previous studies have acknowledged Late fourth century Christian theologians persistent appraisals of sacred virgins paved the way for a wide variety of virgins that often challenged the stereotype of the unmarried female virgin The sources abound with seemingly paradoxical virgins such as widow virgins married virgins virgin mothers infant virgins old virgins heretical virgins pagan virgins male virgins false virgins and fallen virgins Through examining these kinds of borderline virgins as they appear in a range of textual sources from varied genres Undheim demonstrates how physical cultural and cognitive boundaries of virginity were contested drawn and redrawn in the fourth and early fifth centuries in the Latin West

Visions of the Maid Robin Blaetz, 2001-11-29 Representations of Joan of Arc have been used in the United States for the past two hundred years appearing in advertising cartoons popular song art criticism and propaganda The presence of the fifteenth century French heroine in the cinema is particularly intriguing in relation to the role of women during wartime Robin Blaetz argues that a mythic Joan of Arc was used during the First World War to cast a medieval glow over an unpopular war but that she only appeared after the Second World War to encourage women to abandon their wartime jobs and return to the home In Visions of the Maid Blaetz examines three pivotal films Cecil B DeMille s 1916 Joan the Woman Victor Fleming s 1948 Joan of Arc and Otto Preminger s 1957 Saint Joan as well as addressing a broad array of popular culture references and every other film about the heroine made or distributed in the United States Blaetz is particularly concerned with issues of gender and the ways in which Joan of Arc s androgyny virginity and sacrificial victimhood were evoked in relation to the evolving roles of

The subject of rock characterization is not only about the optimal length to diameter ratio for a compression test specimen and other similar tactical aspects of the testing procedures it is also about the whole strategic concept of how to characterize naturally occurring rock masses which have been in existence for millions of years They have been operating as natural process response systems for all time and are about to be perturbed by engineers in order to achieve particular objectives By international authors this volume is important and useful for all geotechnical engineers and related positions who need to know the latest information to succeed
