Detour My Bipolar Road Trip In 4 D:

Detour Lizzie Simon, 2003-06-18 In the fall of 1999 23 year old Simon hit the road on a journey that took her across the United States Her inspired interviews with other young men and women suffering from manic depression comprise the heart and soul of this remarkable memoir *Manic Minds* Lisa M. Hermsen, 2011-11-22 From its first depictions in ancient medical literature to contemporary depictions in brain imaging mania has been largely associated with its Greek roots to rage Prior to the nineteenth century mania was used interchangeably with madness Although its meanings shifted over time the word remained layered with the type of madness first century writers described rage fury frenzy Even now the mental illness we know as bipolar disorder describes conditions of extreme irritability inflated grandiosity and excessive impulsivity Spanning several centuries *Manic Minds* traces the multiple ways in which the word mania has been used by popular medical and academic writers It reveals why the rhetorical history of the word is key to appreciating descriptions and meanings of the manic episode Lisa M Hermsen examines the way medical professionals analyzed the manic condition during the nineteenth and twentieth centuries and offers the first in depth analysis of contemporary manic autobiographies bipolar figures who have written from within the illness itself **Spin Between Never and Ever** Shannon C. Flynn, 2010-10-26 I hunched at my school desk seventeen and slipping into an abyss whose shadow I had barely glimpsed before My left hand shook with free associations in a spatter of words that galloped through my head and outside the margins of lined notebook paper Dark its so dark like it was night even though its 8 00 in the morning Warning Everythings going to fall fall apart my heart will break and take away everything my mind is fading fast fast vast emptiness oh help the universe is coming to get me I whirled and then faded dead inside into a suffocating fog Speaking of dead that was all I wanted Well it wasnt that I wanted to die I had to I needed to escape the tumult that was exhausting my emotional and physical resources And I had to die because I deserved to because I was evil I knew that I had transformed absolutely into a rotten core I had recently discovered this one horrifying night when it became clear as I raced around my bedroom that I was the reincarnation of Judas Iscariot betrayer of Jesus And I would plunge to Hell like he had so why shouldnt I kill myself now to get it over with Especially since I only burdened everyone around me My family and friends would rejoice once I was dead These thoughts progressed to the point that I could no longer touch anyone in order that I not contaminate them with my toxic essence Then I could no longer allow my fingers or limbs to touch each other because somehow this was evil too Soon God no longer permitted me to eat or sleep because I was such a monstrosity I stopped showering and changing clothes almost stopped speaking No longer able to attend high school I shrunk my days to mere huddling on a chair in our living room guarded by my parents and siblings in shifts Every moment I could snatch to myself I punched holes in my wrist with a safety pin hidden in my sleeve One afternoon left alone for a minute I crept furtively to the top of the second floor flight of stairs about to hurl myself down them until I was discovered and tugged back downstairs held tightly by the hand Finally my mind and body were so clamped down by

dark gravity that I was no longer able to hurt myself One day I simply goggled at the unfamiliar face in our cold bathroom mirror Who is that Im not me anymoreIm an alien I decided Someone or something has stolen my identity and taken me over Well it can have me I surrender because I am worth nothing anyway So nothing matters I certainly dont matter During those gray hours days and months my mind cramped into nothing but ruminations of worthlessness and I didnt matter to myself at all Luckily of course to my parents and brothers and sisters I did matter very much Even if they puzzled over what was happening to me as much as I did they intuited my distress and incapacitization and got me help My family brought me to a psychiatric hospital where I stayed for a month I was diagnosed with depression with psychotic features and given antidepressants and an antipsychotic While in the hospital I discovered art therapy and painted surreal abstracts and wrote long narrative poems about my depression and recovery And recover I did into the blessed contentment of feeling like myself again a brighter happier self at that Now armed with a name for what ailed me I consumed volumes about depression and bipolar disorder I devoured books and articles about psychotropic medications and art therapy and theories of psychiatric rehabilitation and mood charting and the consumer movement I discovered Kay Redfield Jamison Ph D who became a role model and pored over her memoir *An Unquiet Mind* and *Manic Depressive Illness* the authoritative text on bipolar disorder that Jamison wrote with Frederick Goodwin MD I involved myself with one of the nations leading mental health advocacy organizations the National Alliance on Mental Illness abbreviated as NAMI and later assumed a lead
