Deus Trinitas The Doctrine Of The Triune God:

Deus Trinitas David Michael Coffey,1999 David Coffey considers the full range of issues surrounding the Trinity one of the central doctrines of the Christian faith He looks at these issues in historical and ecumenical context and balances the insights of both Western and Eastern churches *Deus Trinitas* David Michael Coffey,2023 Spirit Christology and Trinity in the Theology of David Coffey Declan O'Byrne,2010 Studies in Theology Society and Culture invites scholarly contributions to themes including patterns of secularisation postmodern challenges to religion and the relation of faith and culture From a theological perspective it seeks constructive re interpretations of traditional Christian topics including God creation salvation Christology ecclesiology in a way that makes them more credible for today It also welcomes studies on religion and science and on theology and the arts Prophetic Obedience Hinze, Bradford E.,2016-03-08 *And in Our Hearts Take Up Thy Rest* Michael Eades,2019-07-15 In his seminary classes and his writings Frederick Crowe SJ 1915 2012 sought to understand anew the eternal identity of the Holy Spirit and the Spirit s role in the Church s life Despite Crowe s fame as a professor of Trinitarian theology and his groundbreaking work on Thomas Aquinas s doctrine of complacent love as an analogy for the Holy Spirit s eternal procession no book has ever been published on this influential Canadian Jesuit who established centres around the world dedicated to studying the theological writings of Bernard Lonergan SJ 1904 84 Drawing on Crowe s published works and archival materials Eades emphasizes how Crowe s Trinitarian pneumatology creatively extended Lonergan s theology of the Holy Spirit Making use of Crowe s own historical methodology Eades looks for the emergence of new and significant questions about the Holy Spirit in Crowe s works **Divine Freedom and the Doctrine of the Immanent Trinity** Paul D. Molnar,2002 This is an essay in Christian dogmatics of a high order learned intellectually powerful and spiritually engaged it deserves to be widely read and discussed John Webster Lady Margaret Professor of Divinity University of Oxford The Eternal Generation of the Son Kevin Giles,2012-05-07 Theologian Kevin Giles defends the historically orthodox doctrine of the eternal generation of the Son of God He argues on biblical historical and theological bases that given its fundamental meaning this doctrinal formulation is indispensable irreplaceable and faithful to Christian revelation *Rethinking the Trinity and Religious Pluralism* Keith E. Johnson,2011-09-02 Founding his argument on a close reading of St Augustine s De Trinitate Keith Johnson critiques four recent attempts to construct a pluralistic theology of religions out of the orthodox doctrine of the Trinity Communion with God Kelly M. Kapic,2007 Focuses on the concept of communion with God in the work of Puritan theologian John Owen covering key areas such as anthropology the incarnation the Trinity and the Lord s supper **Pro Ecclesia** ,2003 The Development of Trinitarian Doctrine in the Nicene and Athanasian Creeds William Samuel Bishop,1910 *The Immanent Person of the Holy Spirit from Anselm to Lombard* Matthew Knell,2009 This study shows that there has not yet been any comprehensive study of the person of the Holy Spirit in the twelfth century and that such a study has something to add to concepts of twelfth century thought as well as modern

debates in pneumatology The richness of debate that took place with the advent of scholasticism and its clashes with more traditional approaches to Christian study raised issues about western conception of the Spirit that were both grounded in Scripture and the church fathers writings and thoroughly tested by reason and debate Boletín Eclesiástico de Filipinas ,2007 **Journal of ancient Christianity** ,2005 **Christ in the East Syriac Tradition** George Thumpanirappel,2003 **New Catholic Encyclopedia: Ref-Sep** Catholic University of America,2003 This 15 volume second edition features revised and new articles Among the 12 000 entries in the encyclopedia are articles on theology philosophy history literary figures saints musicians and much more **Zygon** ,2008 **Spirit and Beauty** Patrick Sherry,2002 This text discusses what both the early Fathers and later writers such as Calvin and Sergius Bulgakov said about the association of beauty both in nature and art with the Holy Spirit It also considers topics such as divine glory inspiration and the eschatological character of beauty **The Trinity** Neil Ormerod,2005 Recent decades have witnessed a significant growth in interest in Trinitarian theology Among the varied and often conflicting theologies currently developed the common theme is that the Western tradition of Trinitarian theology has had its day This book argues that this tradition is still relevant and in fact more coherent than the competing alternatives now on offer International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences ,2001
