German Humour Noah Sow, 2017-05-26 An outstanding anthology which features the milestones of typically German humour Meticulously researched and thoroughly compiled with particular emphasis on traditional German humour also featuring contemporary German comedians best punchlines A must have for all devotees and critics of Germany Spoiler Alert It's a blank book Ideas great gift for your German co-workers read it ostentatiously on the train use it to prepare for your visit to Germany praise Finally The best German laugh I've ever had Christiane Schmitt Intersectional Times Funnier than Angela Fatima Weyta Neuer Curyar This book is thoroughly researched and meticulously compiled Jermaine Debris Germanistischer Ehrenrat A.D. *Deutscher Humor neuer Zeit* Heinrich Merckens, 1881 *Deutscher Humor neuer Zeit: ein Buch für Freunde des Humors, und zugleich ein Beitrag zur Cultur- und Sittengeschichte Deutschlands von der Mitte des 18. bis in die dreißiger Jahre unseres Jahrhunderts* Heinrich Mertens, Richard Weitbrecht, 1881 **Antisemitism in Film**

Comedy in Nazi Germany Valerie Weinstein, 2020-03-04 How party propagandists worked behind the scenes to create unspoken racist messages in the German culture even in the most lighthearted of movies Today many Germans look back fondly on 1930s film comedies viewing them as a part of the Nazi era that was not tainted with antisemitism Here Valerie Weinstein scrutinizes these comic productions and demonstrates that film comedy despite its innocent appearance was a critical component in the effort to separate Jews from Germans physically economically and artistically Weinstein highlights how the German propaganda ministry used directives pre and post production censorship financial incentives and influence over film critics and their judgments to replace Jewish wit with a slower simpler and more direct German humor that affirmed values that the Nazis associated with the Aryan race Through contextualized analyses of historical documents and individual films Weinstein reveals how humor coded hints and traces absences and substitutes in Third Reich film comedy helped spectators imagine an abstract Jewishness and a German identity and community free from the former As resurgent populist nationalism and overt racism continue to grow around the world today Weinstein's study helps us rethink racism and prejudice in popular culture and reconceptualize the relationships between film humor national identity and race

Monatsschrift Für Das Deutsche Geistesleben, 1909 The Politics of Humour Martina Kessel, Patrick Merziger, 2012-01-30 The period between the First World War and the fall of the Berlin Wall is often characterized as the age of extremes while this era witnessed unprecedented violence and loss of human life it also saw a surge in humorous entertainment in both democratic and authoritarian societies The Politics of Humour examines how works such as satirical magazines and comedy films were used both to reaffirm group identity and to exclude those who did not belong The essays in this collection analyse the political and social context of comedy in Europe and the United States exploring topics ranging from the shifting targets of ethnic jokes to the incorporation of humour into wartime broadcasting and the uses of satire as a means of resistance Comedy continues to define the nature of group membership today and The Politics of Humour offers an
