Hijacked! Idols in Disguise Rosemary

Monreau,2014-11-05 Anything or anyone is a potential idol the moment our affection is diverted from God Deep down none of us desire to suffer bondage or intentionally act against the will of God To avert the danger of something or someone becoming an idol and to fight any idol that besets us we must resist that object of our obsession and put it in its rightful place As idolatry has engulfed us are we Western Christians ready to stand in Christ in the face of increasing hostility towards Christianity Can the secular world see a difference in our daily lives in the living out of our faith Hijacked Idols in Disguise explores the snares that have mesmerized and captivated Western Christians Consider what redemption would look like if our choices were imbued by a concern for Kingdom values contrition confession repentance and reconciliation leads to spiritual healing and renews our faith commitment to Christ Meet the Idol Slayer and join in the journey to breaking the strongholds to falling in love with God again standing firm in faith and proclaiming the Kingdom of God by example and love
