**International Handbook of Education for**

**Spirituality, Care and Wellbeing** Marian de Souza, LESLIE J. FRANCIS, James O'Higgins-Norman, Daniel G.

Scott, 2009-10-13 Acknowledging and understanding spiritual formation is vital in contemporary education This book explores the dynamic relationship between education and wellbeing It examines the theory underpinning the practice of education in different societies where spirituality and care are believed to be at the heart of all educational experiences The book recognizes that regardless of the context or type of educational experience education is a caring activity in which the development of the whole person body mind and spirit is a central aim for teachers and educators in both formal and informal learning The chapters in this handbook present and discuss topics that focus on spirituality as an integral part of human experience and consequently essential to educational programs which aim to address personal and communal identity foster resilience empathy and compassion and promote meaning and connectedness

### **Teaching for Christian Wisdom**

Samy Estafanos, 2018-08-20 In many ways Christian education in the Presbyterian Church in Egypt was deeply influenced by public education in Egypt One of the negative consequences of such influence is the significant lack of developing and using critical thinking as a basic element of the process While multiple factors educational and theological contribute to forming it this problem manifests itself in many ways The present research deals with the lack of critical thinking as a central problematic reality of the Christian education process in the Presbyterian Church in Egypt In order to illuminate and address this problematic situation Richard Osmer's understanding of Christian education as practical theology is used to bring into dialogue American philosopher psychologist and educator John Dewey and reformer and theologian John Calvin In light of this dialogue not only the lack of critical thinking but also multiple other dimensions of the problematic situation of Christian education in the Presbyterian Church in Egypt are illuminated Lack of democracy lack of the use of experience lack of creative pedagogies lack of practical reason and lack of theology from the process are some of these dimensions Adapting Osmer's comprehensive approach to Christian education as practical theology Samy Estafanos proposes a holistic approach towards Christian education that aims at transforming education into a reconciling process

Semantics and Psychology of Spirituality Heinz Streib, Ralph W. Hood, Jr., 2015-10-16 This book examines what people mean when they say they are spiritual It looks at the semantics of spirituality the visibility of reasons for spiritual preference in biographies in

psychological dispositions in cultural differences between Germany and the US and in gender differences It also examines the kind of biographical consequences that are associated with spirituality The book reports the results of an online questionnaire filled out by 773 respondents in Germany and 1113 in the US personal interviews with a selected group of more than 100 persons and an experiment Based on the data collected it reports results that are relevant for a number of scientific and practical disciplines It makes a contribution to the semantics of everyday religious language and to the cross cultural study of religion and to many related fields as well because spirituality is evaluated in relation to personality mysticism well being religious styles generativity attachment biography and atheism The book draws attention to the new

and ever changing ways in which people give names to their ultimate concern and symbolize their experiences of transcendence

*Educating Clergy* Charles R. Foster, 2006 Based on extensive literary and field research involving surveys classroom observations and interviews with faculty students and administrators in Roman Catholic mainline and evangelical Protestant and Reform and Conservative Jewish seminaries *Educating Clergy* explores the influence of their historic traditions and academic settings in contemporary classroom and communal pedagogies The book describes elements in classroom pedagogies shared across these religious traditions that distinctively integrate the cognitive practical and normative apprenticeships to be found in all forms of professional education
