**Edward Stevens**

## **Developing Moral Imagination Case Studies In Practical Morality:**

**Developing Moral Imagination** Edward Stevens, 1997-01-01 The issues may change with the passing of the years but the categories of concern change very little sexuality and the sexes medical decision making justice for the poor the powerless the underclass reproductive decision making moral decision making in business and personal moral choices Stevens attempts to present alternative positions on hotly debated new moral issues from a different standpoint using an ethical pluralism approach In doing this he hopes to help readers arrive at their own non polarized positions by learning from and respecting all parties in the discussion

*Morality Play* Jessica Pierce, 2013-05-14 *Morality Play* is an ideal supplement for ethics courses offering a case study approach that is both flexible and practical It provides three alternative methods of organization for universal teaching approaches contemporary moral problems ethical theories and moral principles The introduction illustrates how to effectively use case studies in the classroom and provides a short review of the fundamentals of argumentation and critical thinking Featuring ten new case studies the latest edition continues to spotlight some of the most controversial thought provoking issues in ethics today Themes such as crime and punishment life and death habitat and humanity liberty and coercion and value and culture are made relevant through insightful case studies drawn from newspaper accounts legal opinions and other factual sources The cases present discrete problems designed to make readers examine their abstract notions about morality

**How to Preach a Dangerous Sermon** Frank A. Thomas, 2018-02-20 Learn to use four characteristics of preaching with moral imagination to proclaim freedom for all The author describes the four characteristics using examples like Robert F Kennedy Dr Martin Luther King Jr Prathia Hall and the Moral Monday Movement along with musicians and other artists of today Moral imagination helps the hearer to see what they cannot see to hear what they cannot hear to inhabit the lives of others so that they can embody Christ and true freedom for those others This book equips and empowers preachers to transcend their basic skills and techniques so that their proclamation of the Word causes actual turnaround in the hearts and lives of their hearers and in their communities Frank Thomas has written a passionate summons amid the current destructive chaos of our society there is an urgent need for moral imagination Such imagination is the antithesis of diabolic and idolatrous imagination that is all to the fore in our public discourse and practice Thomas fleshes out moral imagination with close reflection on the practice of Robert F Kennedy and Martin Luther King Before he finishes Thomas shows how the urgency of moral imagination belongs peculiarly to the work of the preacher This book is a welcome call for gospel grounded courage and truth about the neighbor issued in a way that refuses the self serving fakery that dominates our public life Walter Brueggemann Columbia Theological Seminary Timely and prophetic *How to Preach a Dangerous Sermon* presents a homiletic essential for our churches today Thomas insists that it is up to the preacher to recapture and reclaim the moral imagination of our nation so that the Gospel's message of freedom is true for all people With attention to specific figures whose witness models the qualities and characteristics of moral imagination Thomas

inspires the preacher toward powerful proclamation that both challenges and critiques any speech that subjugates or subordinates How to Preach a Dangerous Sermon is must read for preachers to recover and reimagine the leadership role of the church for the sake of justice for all Karoline M Lewis Associate Professor of Biblical Preaching and the Marbury E Anderson Chair of Biblical Preaching Luther Seminary author of She Five Keys to Unlock the Power of Women in Ministry In this lucid and compelling book Frank Thomas plumbs the depths of American moral rhetoric for insights that will help preachers How to Preach a Dangerous Sermon provides new and dramatic ways in which the moral imagination in a democratic society can be nurtured by visionary empathic wise and artistic preachers John S McClure Charles G Finney Professor of Preaching and Worship Vanderbilt Divinity School Warning Preachers if you are comfortable with the status quo of white privilege patriarchy hetero normativity and classism do not read this book If you are comfortable with sermon series that reduce the gospel to self help acronyms don t read this book But if you have the courage to look honestly at our landscape and bring the moral imagination of the Christian tradition to bear on it open these pages and your sermons may never be the same again But then again neither will the church or the world be the same anymore if enough of us follow Thomas s advice O Wesley Allen Jr Lois Craddock Perkins Professor of Homiletics Perkins School of Theology Southern Methodist University Love Letter to a Conflicted Church Richard P. Olson,2010-01-01 The book is organized into three divisions and as the title implies there is a brief letter in the form of a New Testament epistle to the contemporary church a portion of which begins each chapter The first division reexamines the gifts and redemptive possibilities of anger and conflict The barriers to healthy anger conflict are considered and addressed In the second attention is given to conflicts surrounding the Bible There is a chapter on conflict and reconciliation in the Bible followed by suggestions on how people who read the Bible differently from each other can resolve some of those differences Consideration is also given to discovering biblical priorities for the contemporary church The third division offers vistas of change and reconciliation Parables of hope and promise are provided Insights from the studies of persons and communities as well as ethics and theology are summarized There is reflection on those unresolved conflicts that continue in spite of our best efforts Then moral imagination is engaged to visualize the opportunities for a church that moves beyond its present stalemates

**Human Trafficking: A Global Health Emergency** Mary de Chesnay,Donna Sabella,2023-08-30 This book presents various forms of human trafficking a growing trend in the exploitation of large numbers of people with concurrent public health socio cultural and economic costs to countries burdened with the consequences of the COVID 19 pandemic Edited by psychiatric mental health nurses and an applied anthropologist this volume covers all forms of human trafficking sex trafficking forced labor forced marriage baby trafficking organ trafficking child marriage and child soldiers with a global public health and policy focus As such it fills a gap in human trafficking knowledge and is built on courses springing up around the United States in multiple disciplines Medical mental health and social work interventions are included as well as information about programs with documented

outcomes Each chapter includes state of the art of knowledge with case studies illustrating specific focal ideas discussion questions and exercises in order to help readers retain and reinforce chapter material This textbook will be useful in the disciplines of nursing medicine public health social work and policy making as well as in disciplines in which human trafficking is a current interest such as law criminal justice and education The Catholic Library World John M.
