Development Devolution And Democracy Village Discourse In West Bengal Indodutch Studies On Development Alternatives:

Development, Devolution, and Democracy Georges Kristoffel Lieten, 1996 Local Democracy and Development T. M. Thomas Isaac, Richard W. Franke, 2002 In this definitive history a key figure in the People's Campaign in Kerala provides a unique insider's account of one of the world's most extensive and successful experiments in decentralization Launched in 1996 the campaign mobilized over 3 million of Kerala's 30 million people and resulted in bottom up development planning in all 1 052 of its villages and urban neighborhoods The authors tell a powerful story of mass mobilization and innovation as bureaucratic opposition was overcome corruption and cynicism were rooted out and parliamentary democracy prevailed Considering both the theoretical and applied significance of the campaign in the context both of India's development since independence and of recent international debates about decentralization civil society and empowerment the book provides invaluable lessons for sustainable development worldwide *Development, Devolution and Democracy* G K Lieten, 1997-02-14 As the longest surviving democratically elected communist regime in the world the Left Front government in West Bengal has drawn considerable attention Development Devolution and Democracy critically examines the achievements of the government in the areas of land reforms rural development devolution of administration to the grass roots level and above all in ensuring the democratic participation of the poorest classes Basing his study on primary field research author G K Lieten analyzes the differing composition of village councils in terms of caste class gender and the ability of the panchayats to mediate between an interventionist state and the goal of grass roots empowerment Lieten observes that political maturity and acumen embodied in class based organizations has played a key role in assisting development initiatives to percolate through to the villages The study also shows how the West Bengal government has not only assisted agrarian development but has done so with a strong pro poor orientation With the current emphasis on decentralized and grass roots level governance this detailed and useful case study will interest administrators politicians economists planners sociologists and political scientists as well as professionals and researchers in rural development
