**Development and Underdevelopment** Mitchell A. Seligson, John T. Passé-Smith, 1993-01      **Development and Underdevelopment** Mitchell A. Seligson, John T. Passé-Smith, 2003 Presenting both classic pieces and the most up to date arguments in the debates about issues of economic growth and inequality this is a guide to understanding the causes and dynamics of persistent income gap between rich and poor countries as well as rich and poor within the poor countries

**The Political Economy of Development and Underdevelopment** Charles K. Wilber, 1988      The Origins of Economic Inequality Between Nations Carlos Ramirez-Faria, 2010-11-26 First published in 1991 this text provides an incisive analysis of theories concerning the origins of economic inequality between nations Central to the author's investigation is the concept of underdevelopment and a focus on successive Western systems of conceptualisation of the relationship between the west and the rest of the world The first part of the book concerns the Marx Engels theory of the Asiatic mode of production and the anti Imperialist reaction against Eurocentrism initiated by the theoretical synthesis of J A Hobson This is followed by an examination of the post World War II era particularly the evolution of development studies and the differing versions of dependency theory The author concludes with an analysis of the most recent reactions against economic imperialism and dependency theory and concludes with an assessment of their implications for the further economic development of today's Third World      *The Political Economy of Development and Underdevelopment* Charles K. Wilber, 1979 Monographic compilation of essays on economic policy of economic development and underdevelopment covers methodological problems of development theories historical perspectives causes of economic disparities in developing countries multinational enterprises world economic system etc development policies relation to rural development and industrialization income distribution and the need for a new international economic order Bibliography pp 464 to 466 graphs references and statistical tables      *Methods and Approaches in Comparative Political Analysis* Pushpa Singh, Chetna Sharma, 2024-12-18 This book focuses on the methods and approaches in comparative politics while tracing the evolution of the discipline Exploring its historical legacy through a comparative perspective it uses research methods and methodologies to critically analyse the approaches discussed in the book This unique volume provides an exclusive reading on the dimension of gender in comparative politics It also investigates the foundational approaches and insights from the perspective of postcolonial societies and diverse regions of the world Lucidly written to serve a diversity of readership this book is an invaluable resource for students researchers and teachers from the departments of political science public administration history and journalism Owing to its detailed diverse and rich discussions on the different aspects of these themes it will be equally useful to researchers in the field of gender studies and comparative politics      Rethinking Global Political Economy Kurt Burch, Robert A. Denemark, Kenneth P. Thomas, Mary Ann Tétreault, 2004-02-24 This new volume presents innovative approaches to the fundamental issues of the global political economy in particular post Cold War development analyses of

capital and negative aspects of globalization      *Property, Institutions, and Social Stratification in Africa* Franklin Obeng-Odoom, 2020-03-26 In this book Franklin Obeng Odoom seeks to carefully explain and systematically question the existing explanations of inequalities within Africa and between Africa and the rest of the world using insights from the emerging field of stratification economics Drawing on multiple sources including archival and historical material and a wide range of survey data he develops a distinctive approach that combines key concepts in original institutional economics such as reasonable value property and the distribution of wealth with other insights into Africa's development and underdevelopment While looking at the Africa wide situation Obeng Odoom also analyzes the experiences of inequalities within specific countries Comprehensive and engaging *Property Institutions and Social Stratification in Africa* is a useful resource for teaching and research on Africa and the Global South      *The Political Economy of Underdevelopment in the Global South* Justin van der Merwe, Nicole Dodd, 2019-01-07 This book presents a new theory explaining underdevelopment in the global South and tests whether financial inputs the government business media GBM complex and spatiotemporal influences drive human development Despite the entrance of emerging powers and new forms of aid trade and investment international political economic practices still support well established systems of capital accumulation to the detriment of the global South Global asymmetrical accumulation is maintained by affective consent forming hegemonic practices and infrastructural uneven economic exchanges labours and by power networks The message for developing countries is that robust GBMs can facilitate human development and development is constrained by spatiotemporal limitations This work theorizes that aid and foreign direct investment should be viewed with caution and that in the global South these investments should not automatically be assumed to be drivers of development      *Handbook on International Political Economy* Ralph Pettman, 2012 International political economy IPE is a highly complex discipline drawing not only from the fields of politics and economics but also those as varied as philosophy history and anthropology Now widely accepted as a key dimension to contemporary world affairs it is no longer possible to talk about international relations without talking about production and distribution finance and investment as well as consumption and trade To ensure that our understanding of these topics is relevant to today's world there is a constant need to revisit and challenge what is known about these topics Besides being a comprehensive account of international political economy for academic study this extensive collection also highlights salient issues that scholars analysts and state leaders are most concerned with in today's world Amongst these are issues concerning the rise of China and India as new economic superpowers stability in the EU's political economy the viability of the existing multilateral system of global trade recent financial crises as well as the impact of globalisation and marketisation on the world's workers and our physical environment With contributions from prominent academics such as Susan K Sell George Washington University D C and Geoffrey Blainey Professor Emeritus University of Melbourne this volume makes for both a stimulating and thought provoking read      ***The Political Economy of Technological Underdevelopment in***

**Africa** M. H. Khalil-Timamy,2007      Migration, Reproduction and Society Alejandro I. Canales,2019-09-16 In Migration Reproduction and Society Alejandro I Canales offers a theoretical model for understanding the dilemmas presented by migration in the transformation of contemporary society Aging and changing demographics in advanced societies make economic and social reproduction dependent upon the contributions made by immigration However these same demographic processes are conducive to ethnic transformations The political dilemma facing advanced societies is that immigration is required to ensure their reproduction but this entails becoming multicultural societies where the political hegemony of ethnic and demographic majorities becomes radically subverted This paves the way to a pervasive political conflict already evident in the current immigration crisis in Europe just as in the revival of racism and xenophobia in the United States En Migration Reproduction and Society Alejandro I Canales propone un modelo te rico para el entendimiento del dilema pol tico y social concerniente al papel de las migraciones en la transformaci n de la sociedad contempor nea El envejecimiento y decline demogr fico en las sociedades avanzadas hacen que la din mica econ mica y la reproducci n social de la poblaci n dependan directamente de los aportes que hace la inmigraci n Sin embargo estos mismos procesos demogr ficos propician una transformaci n tnica de sus actuales equilibrios sociales y demogr ficos El dilema pol tico que enfrentan las sociedades avanzadas es que para asegurar su reproducci n debe necesariamente abrirse a la inmigraci n pero ello conlleva la posibilidad de constituirse en sociedades multiculturales en donde la hegemon a pol tica de las actuales mayor as tnicas y demogr ficas se trastocar a radicalmente Es la base de un conflicto pol tico cuyos indicios ya se advierten en la actual crisis migratoria en Europa as como en el renacer del racismo y xenofobia en los Estados Unidos      **SOCIAL AND ECONOMIC DEVELOPMENT - Volume VII** Salustiano del Campo ,Tomoko Hamada ,Giancarlo Barbiroli,Saskia Sassen, Eleonora Barbieri-Masini, Paul Nchoji Nkwi, Owen Sichone, Abubakar Momoh,2010-11-15 Social and Economic Development is a component of Encyclopedia of Development and Economic Sciences in the global Encyclopedia of Life Support Systems EOLSS which is an integrated compendium of twenty one Encyclopedias The Theme on Social and Economic Development provides the essential aspects and a myriad of issues of great relevance to our world such as Socioeconomic Development Social Work Perspectives on Contemporary Socioeconomic Development Sustainable Development of Natural Resource Capital Sustainable Development Of Human Resource Capital Intellectual And Knowledge Capital For Sustainable Development At Local National Regional And Global Levels Economic And Financial System Development Information And Knowledge Institutional And Infrastructure System Development Information And Knowledge Basic Principles Of Sustainable Development Environmental Economics And Sustainable Development Implementing Sustainable Development In A Changing World Economic Sociology Its History And Development The Socioeconomics Of Agriculture Agricultural And Rural Geography Impact Of Global Change On Agriculture Human Nutrition An Overview The Role Of Inter And Nongovernmental Organizations Nongovernmental Organizations Social And Cultural Development Of Human Resources This 8 volume set
