Learning for Uncertainty G. Williamson McDiarmid, Yong Zhao, 2022-01-31 Learning for Uncertainty explores technology's role in education specifically unpacking the question How should educators prepare today's children for a world that has yet to be made As technology evolves faster than our capacity to fully understand the social cultural economic and moral implications of many innovations today's educators are tasked with the unique role of preparing students to capitalize on technology's opportunities and also mitigate its dangers to their society to democratic processes and to institutions Veteran educators McDiarmid and Zhao explore the implications of emerging technologies for future jobs organizations students and learning covering topics such as The future of work and workers as technology eliminates some industries while creating new ones Potential futures both bright and dark awaiting students The qualities dispositions social behaviors and skills that are likely to advantage students in the future The possibility of technology to revolutionize education in ways that will better position students for an uncertain future How technology can free teachers from time and effort devoted to routine matters to instead assuming roles that are potentially more satisfying and supportive of their students learning Learning opportunities and educator roles that have the potential to bring about needed changes Capitalizing on these uncertain times to rethink curriculum pedagogy opportunities to learn and the organization of school as well as the roles of students educators parents and policymakers This latest book in the Routledge Leading Change series is ideal reading for educators and policymakers in both P 12 and higher education interested in ensuring our education systems provide the experiences and learning opportunities necessary to cultivate the innovative iconoclastic and generative thinkers and creators needed for a future that nourishes the minds bodies and spirits of all *U.S. News & World Report*, 1981

The Guarantee Natalie Foster, 2024-04-23 With a foreword by Angela Garbes From the president of the Economic Security Project a book showing how a just future is around the corner if we are ready to seize it The Guarantee asks us to imagine an America where housing health care a college education dignified work family care an inheritance and an income floor are not only attainable by all but guaranteed by our government for everyone But isn't this pie in the sky thinking Not by a long shot as this provocative new book reveals As it stands our current economic system is chock full of government backed guarantees from bailouts to bankruptcy protection to keep the private sector in business So why can't the same be true for the rest of us Author Natalie Foster co-founder of the Economic Security Project has had a front row seat to the dramatic leaps forward in government guarantees over the past decade from student debt relief to the child tax credit expansion Her brilliantly sketched vision for a new Guarantee Framework is rooted in real life experiences collaborations with some of today's most important activists and visionaries and a concrete sense of the policies that are possible and ready to implement in twenty first century America The Guarantee is the rare book that will shift the terms of debate moving us from the expired and defunct assumptions of no guardrails capitalism to a nation that works for all of its people *Something Lost, Something*

Gained Hillary Rodham Clinton, 2024-09-17 What would it be like to sit down for an impassioned entertaining conversation with Hillary Clinton In *Something Lost Something Gained* Hillary offers her candid views on life and love politics liberty democracy the threats we face and the future within our reach She describes the strength she draws from her deepest friendships her Methodist faith and the nearly fifty years she s been married to President Bill Clinton all with the wisdom that comes from looking back on a full life with fresh eyes She takes us along as she returns to the classroom as a college professor enjoys the bonds inside the exclusive club of former First Ladies moves past her dream of being president and dives into new activism for women and democracy From canoeing with an ex Nazi trying to deprogram white supremacists to sweltering with salt farmers in the desert trying to adapt to the climate crisis in India Hillary brings us to the front lines of our biggest challenges For the first time Hillary shares the story of her operation to evacuate Afghan women to safety in the harrowing final days of America s longest war But we also meet the brave women dissidents defying dictators around the world gain new personal insights about her old adversary Vladimir Putin and learn the best ways that worried parents can protect kids from toxic technology We also hear her fervent and persuasive warning to all American voters In the end *Something Lost Something Gained* is a testament to the idea that the personal is political and the political is personal providing a blueprint for what each of us can do to make our lives better Hillary has looked at life from both sides now In these pages she shares the latest chapter of her inspiring life and shows us how to age with grace and keep moving forward with grit joy purpose and a sense of humour
