education **How to Think about Data Science** Diego Miranda-Saavedra,2022-12-23 This book is a timely and critical introduction for those interested in what data science is and isn't and how it should be applied. The language is conversational and the content is accessible for readers without a quantitative or computational background but at the same time it is also a practical overview of the field for the more technical readers. The overarching goal is to demystify the field and teach the reader how to develop an analytical mindset instead of following recipes. The book takes the scientist's approach of focusing on asking the right question at every step as this is the single most important factor contributing to the success of a data science project. Upon finishing this book the reader should be asking more questions than I have answered. This book is therefore a practising scientist's approach to explaining data science through questions and examples.

How to Get on Podcasts: Cultivate Your Following, Strengthen Your Message, and Grow as a Thought Leader through Podcast Guesting Michelle Glogovac,2024-02-27 How to leverage podcast guesting to elevate yourself as a thought leader, generate more revenue and promote your business all for little to no cost. The explosion of social media, AI-enabled online advertising and the overall cacophony of the internet has made it harder than ever to connect a message with an audience. One of the most powerful emerging tools for cutting through that noise is being a guest on podcasts or podcast guesting. Michelle Glogovac aka The Podcast Matchmaker™ knows the impact podcast guesting has on business and brand growth. She helps entrepreneurs, nonprofit leaders, activists, experts and authors promote themselves, their businesses, organizations, stories and expertise via podcast interviews. In *How to Get on Podcasts* she teaches you how to: Create unique speaking topics without being generic; Define your ideal audience; Design branded media kits; Establish your expertise and knowledge; Share yourself freely without resorting to sales tactics; Tell compelling stories; Repurpose your interviews into evergreen marketing content; Turn every interview into a valuable business opportunity. There are more than two million podcasts out of which 500,000 host expert guests, a huge opportunity for leveraging a free and robust marketing tool if you have the know-how. With *How to Get on Podcasts* you have everything you need to increase business, boost your career and brand and elevate your thought leadership potential.

States of Immersion Across Media Philippe Bédard,Alanna Thain,Carl Therrien,2025-10-01 Immersion across media opens our perception to altered states of consciousness. Far from disconnecting us from our surroundings, these experiences reframe how we connect to the world and to others. In this age of technological acceleration, myriad new media forms redefine our immersive habits and patterns of gratification. *States of Immersion Across Media* invites readers to slow down and reflect on immersive practices, both new and old, their impact on our bodies, the affective attunements they evoke, the disruptions they afford and the creative encounters they generate. Williams, 2008-01-07. A guide to audio and video podcasting covers such topics as developing a podcast; podcasting equipment and tools; recording a podcast; encoding software; the video and audio editing process; getting listed in podcast directories; the podcast community; and making money with podcasting. **Podcasting Made Simple** Daniel Larson, 2020-09-28. If you're looking for a step-by-step walkthrough on how to start a podcast right from the ground with no previous experience, then keep reading. The medium of podcasting and the personal nature of it, the relationship you build with your listeners, and the relationship they have with you, they could be just sitting there chuckling and listening; there's nothing like that. Marc Maron: Podcasting is the expressional medium with therapeutic value we've been missing in our lives for decades. Luckily, popularity has been growing exponentially over the last few years. Did you know the number of Americans who are weekly podcast listeners over the last 7 years has tripled? Let alone a 24% increase in the UK from 2018 to 2019. Although there's never been a better time to get into podcasting, with all the contradicting and often false information scattered all over the internet, it's no wonder why so many people often struggle to find a starting point when there's so many conflicting views on what the best quality equipment is, what launch strategy should be used, and even editing. In fact, it can even create the illusion that starting a podcast is a daunting and time-consuming process. You might be reluctant to commit to something you lack both knowledge and experience in, or you're worried that when you do make that leap, there'll be no one on the other side listening. Maybe you're skeptical of whether you'll be able to get guests on as a newbie with no name to yourself. In *Podcasting Made Simple*, you

will discover The X factor that leaves listeners craving their next fix of your content The secret to creating an immersive parasocial relationship with your audience Why trying to monetize incorrectly can actually ruin your chances of turning your hobby to an income Why many podcasters advertisement and promotion actually repels potential listeners How to create a loveable personal brand through emotional familiarity The simple straight forward guide to recording and editing equipment recommendations included 5 simple tricks to make postproduction a breeze How to choose and execute the launch strategy that s right for you Why over half of podcasts are given up on by 6 months down the line How to format the perfect email that will get sponsors running your way even if you have a low listenership Unique ways to start attracting guests and become an authoritative figure The pre guest ritual that guarantees a free flowing interview The single most important voice technique that you can use to differentiate your show from competitors This digestible guide is made for people who have no experience so yes this will work for you even if you ve never spoken into a microphone Even if you re not a technology guru and have no presence on social media Even if you have an extremely busy schedule and a low budget Even if you think your content ideas are absolutely absurd and no one will listen Even if there are thousands of podcasts similar to yours already published and you have no marketing experience If you re ready to start your podcasting journey then scroll up and click the Add to Cart button now
