

A young man with dark hair, wearing safety goggles and a blue jacket, is focused on assembling a small robot. He is using a yellow hot glue gun to attach components to the robot's chassis. The robot has two large white wheels and a transparent body revealing internal wiring and components. He is sitting at a desk in a well-lit room with large windows in the background. Various tools and components are scattered on the desk, including a soldering iron with red and black cables.
