

A young man with dark hair, wearing safety goggles and a blue jacket, is focused on assembling a small robot car on a desk. He is using a yellow hot glue gun to attach components. The robot car has two large white wheels and a transparent body revealing internal wiring and a microcontroller. In the background, a window with a grid pattern is visible. To the right, a blue electronic device with red and black alligator clips is connected to the robot's wiring. The overall scene is brightly lit, suggesting a classroom or lab environment.
