Nick Dyer-Witheford, Atle Mikkola Kjosen, James Steinhoff, 2019-06-20 Artificial Intelligence AI has seen major advances in recent years While machines were always central to the Marxist analysis of capitalism AI is a new kind of machine that Marx could not have anticipated Contemporary machine learning AI allows machines to increasingly approach human capacities for perception and reasoning in narrow domains This book explores the relationship between Marxist theory and AI through the lenses of different theoretical concepts including surplus value labour the general conditions of production class composition and surplus population It argues against left accelerationism and post Operaismo thinkers asserting that a deeper analysis of AI produces a more complex and disturbing picture of capitalism's future than has previously been identified Inhuman Power argues that on its current trajectory AI represents an ultimate weapon for capital It will render humanity obsolete or turn it into a species of transhumans working for a wage until the heat death of the universe a fate that is only avoidable by communist revolution *Popular Mechanics*, 1953-09 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle

**THE POPULAR ENCYCLOPEDIA OR "CONVERSTATIONS LEXICON:"**, 1841 *Sevyns Life: A Story About The First Black Billionaire Transgender Woman* Martha K Sayz, Ka'milla Harris, 2024-04-06 This story provides an intriguing glimpse into the life of its protagonist Sevyn from her humble beginnings growing up in the Cabrini Green housing

projects of Chicago all the way to her current status as a billionaire transgender businesswoman living in an opulent mansion in Dubai The narrative seamlessly jumps between the present and flashes back to Sevyn s childhood painting a picture of how she has risen from nothing to achieve immense success against all odds From the very first chapter the author establishes Sevyn as a strong driven woman who hasn t let her past hold her back We find her waking up beside her loving husband Rich in their sprawling Dubai estate but even amid this life of luxury the scent of coffee and bacon takes her back to memories of her grandmother s kitchen in Cabrini Green These glimpses into Sevyn s childhood highlight the grit and resilience she developed early on traits that would serve her well on her journey Despite everything she endured growing up in such an impoverished environment she has never stopped believing in herself or her ability to make her dreams a reality After reconnecting with memories of her family and upbringing over breakfast Sevyn begins to open up to Rich about her history hinting at secrets from her past that will alter their understanding of who she is This sets the stage for what is sure to be a revealing tale of Sevyn s journey of self discovery and empowerment I m eager to learn more about the obstacles she had to overcome to reach her current position of wealth and influence Her determination to keep striving despite facing adversity serves as an inspiration That night Sevyn has another taping of her show SS Diaries though she neglects practicing her monologue as ghosts from her past resurface Through the description of her silhouette dancing in the mirror fragments cast by the chandelier the author builds an evocative sense of the inner turmoil Sevyn feels as her demons emerge But she is able to channel her memories of poverty and homelessness into finding her voice and delivers a passionate speech touching on themes of perseverance that resonates with her massive global audience After filming Sevyn and Rich retreat to the secret cellar chamber of their mansion where in addition to cannabis and music they keep priceless works of art family portraits and evidence of their philanthropic ambitions Sevyn s successful career has clearly provided rich material comforts but her history still haunts her as she gazes at photos reminding her of harsher times Rich remains devotedly by her side supporting her through the resurfacing of painful recollections Their loving relationship established family and hopes for the future offer rays of light amid the shadows of Sevyn s past that continue emerging I m left wanting to know more about the specific hardships she faced and how she was finally able to overcome them Her journey seems sure to inspire with its message of empowerment and achieving the impossible through grit resilience and an unbreakable spirit The author provides vivid sensory details that transport the reader directly into Sevyn s lavish yet conflicted world From the scents and sounds that transport her back to her childhood to the reflection of her quivering form in the mirrors as trauma resurfaces one can feel the visceral experience of Sevyn s memories and emotions The interweaving of flashbacks with the present day also builds engaging dramatic tension making me eager to watch as more of Sevyn s history is revealed piece by piece Both Sevyn and Rich come across as complex multilayered characters and I appreciate the glimpses into Rich s background and support of Sevyn that help balance the focus on her experiences Their caring partnership serves as a strong foundation that clearly

played a role in helping Sevyn achieve all she has Her determination to keep growing in her philanthropy work despite struggles with her past shows an evolved character who wants to use her platform to help others facing similar adversity In summary this novel introduction draws the reader deeply into Sevyn s intriguing world through vivid sensory storytelling and bits of mystery surrounding her past Both the present day scenes of luxury and the historical flashes back to harder times feel richly realized Sevyn emerges as a compelling protagonist whose journey of perseverance through challenge upon challenge promises to hold inspiration I look forward to seeing how the author continues to peel back the layers on Sevyn s history while advancing the engaging plotlines of her marriage career and philanthropic ambitions This shows great promise as a story of empowerment and overcoming the odds through grit and resilience **The Crisis of Culture** Olivier

Roy,2024-03-21 Are we confronting a new culture that is global online individualistic and hedonistic Or is our existing concept of culture in crisis as explicit normative systems replace implicit socially anchored values and representations Olivier Roy s new book explores the extension of individual political and sexual freedoms from the 1960s leading us to today s fractures For Roy twentieth century youth culture disconnected traditional political protest from class region or ethnicity fashioning a generational temporary identity premised on repudiation rather than inheritance of any shared past or values Expanded and diversified by neoliberalism and the internet youth culture now transcends generations an individualised ersatz culture open to everyone When a shared culture no longer exists everything becomes an explicit code of how to speak and act Increased reference to identity in political discourse on both left and right is symptomatic of the failure to confront a deeper crisis of culture Identities are now defined by traits race sexuality diet that fragment social cohesion creating sub cultures seeking safe spaces universities for the left gated communities and hard borders for the right Our only option Roy argues is to restore social bonds at the grassroots or citizenship level rather than building communities of affinity online
