content planning process with this simple guided planner that I'll walk you through every important facet of developing a strong blog to help support your business online or allow your blogging hobby to be taken seriously. But before you buy this planner, note that it's not for you if you have more than one blog that you manage or if you send more than 8 emails a month to your audience. Yes, you could make it work, but I wouldn't recommend it. Also, this book doesn't linger in the past. It's a forward-focused blog planner intended to help you do just move forward with your blog. So if you're looking for 20 pages of reflection from the previous 12 months slapped in the first part of the planner, it's not for you either. There's plenty of thorough tracking, but it also won't keep you detailing the past for hours on end. If you want a serious blog planner with a focus on growth preparation and built on a high-functioning strategic process, then this planner is exactly what you're looking for. Buy the Content Strategy Planner now.
