Day My Dogs Became Guys:

Day My Dogs Became Guys , The Day My Dogs Became Guys Merrill Markoe,1999 When an eclipse of the sun turns Carey s three dogs into people they cause enormous problems by continuing to behave like dogs The Day My Dogs Became Guys Merrill Markoe,2001-01-01 During a solar eclipse Carey s wish that his dogs would turn into people comes true Finally Carey thinks he ll be able to talk to Butch Ed and Dee Dee and make them behave But to his surprise Carey finds that Butch Ed and Dee Dee are more dangerous as people than they were as dogs They re still hungry all the time but now they know how to open the refrigerator Be careful what you wish for it just might come true is the message of this uproarious tale

It's My F---ing Birthday Merrill Markoe,2007-12-18 In the coming year she said hoisting her blindingly clean and gleaming glass into the air may half of all your dreams come true Mom I said to her isn t that kind of pathetic Well it s realistic It s her thirty sixth birthday and she really thought things would be different this year that she d have figured out men and how to get along with her narcissistic parents enough to survive a birthday celebration But nothing s changed Her disappointing day is capped off by the delivery of a huge bouquet of flowers from Carl with whom she has recently and bitterly split A gesture of reconciliation Of passive aggression She s too unhinged to tell It s My F ing Birthday unfolds in seven state of my life addresses this hapless high school art teacher writes to herself on consecutive birthdays as she is determined to break the patterns of behavior that are keeping her down Her objective to avoid making the same mistakes over and over and start making some new ones Through seven outrageously funny years of needling parents self absorbed boyfriends riots O J and Monica and bigger and bigger bouquets from Carl she navigates a circuitous and ultimately successful route to happiness in a world where everything seems to conspire to the contrary What I Learned This Year That I Need to Remember 1 No more taking the bait from Mom Even if the fight becomes about not taking the bait 2 No more dwelling in the past 3 Try much harder to continue being a vegetarian This will limit the restaurants the folks can take me to 4 No more trying to decode the flowers from Carl If he sends them again just think of them as a fun free thing like a little sample box of cereal or detergent that suddenly appears in the mailbox 5 Don t make a big deal out of the fact that there were no guys this year Perhaps that s a better thing than continuing to get involved with guys who exhibit behavior from the beginning that indicates the whole thing is completely hopeless So try to remember the above as a coping strategy when I am so crazed with horniness that I want to throw myself off a building 6 No more mumbo jumbo This means no more calling 900 astrology numbers listed at the end of horoscopes in women s magazines to find out my love forecast And no more going to psychics no matter how dicey things get **What the Dogs Have Taught Me** Merrill Markoe,2011-08-24 Award winning comedy writer Merrill Markoe the slightly warped mind behind Stupid Pet Tricks is an old hand with dogs She knows who s boss they are and the myriad ways a loving pet can make you feel guilty twenty four hours a day This new edition of Merrill Markoe s classic collection of humorous essays gives readers the choicest selections along with brand new material In these

razor sharp essays Markoe recounts her dogs phone chats with animal communicators her search for past lives and her brief stint as a stun gun saleswoman She describes the workshop that taught her how to launch an Internet porn business and another that gave proper instruction in the esoteric art of becoming a dominatrix She shares insight into what it is like to structure your day using only dog rules how to spot a really horrible restaurant and what it s like to have a romantic dinner with Fabio There s even a bright side to preparing for the apocalypse At last it is time to forget about fat grams and low cholesterol This enchantingly rambunctious and boundlessly enjoyable book gives you Merrill Markoe at her best You ll devour it in one sitting and so may your pet

The Psycho Ex Game Merrill Markoe, Andy Prieboy, 2007-12-18 Lisa Roberty is a successful screenwriter with an impoverished social life who s enduring a demoralizing job at the mind numbing sitcom *You Go Girl* Grant Repka is an obscure indie rock musician who in his forties finds his career surprisingly resurrected with the success of his comic operetta about the doomed romance of Tommy Lee and Pamela Anderson When Grant and Lisa meet after one of his shows sparks don t immediately fly but e mail addresses are exchanged A my book for your CD trade and a couple of e mails later Lisa tells Grant that she enjoys his song *My Psycho Ex* but warns him that where psycho exes are concerned she s pretty sure she could drink him under the table Little does she know that this will become the opening salvo in an epic e mail battle dubbed the *Psycho Ex Game* a storytelling competition in which horrific tales of dysfunctional love and living with lunatics are volleyed with glee The rules are simple the point system unique the experiences that would normally leave someone running for the therapist s office humiliation degradation and complicity in psychotic behavior just might win match point in the *Psycho Ex Game* Now it s Grant vs Lisa as the wretched tales of his ex the Junkie Queen of Darkness vie with the woe inflicted by her ex a tantrum throwing actor director widely known as Mr Summer Box Office Record Holder As the correspondence evolves it surprises Lisa by offering her the kind of intimacy she has never shared with a man in the same room Before long what started as a friendly competition becomes a road map to an unlikely couple s growing involvement leaving both Grant and Lisa secretly wondering If we were to get involved which one of us is potentially the next *Psycho Ex* Written in alternating he said she said chapters *The Psycho Ex Game* is shot through with the acerbic humor of Merrill Markoe and the mordant observations that have made Andy Prieboy a literate voice in rock *The Psycho Ex Game* is a hilarious dissection of injuries sustained on the front lines of romance and the careful nursing that gets us battleready once again
