Thomas Liaw, 2007-09-10 Praise for Investment Banking Investment Opportunities in China I first met Tom Liaw when my company was exploring potential opportunities in Taiwan He clearly knew the market and proved invaluable in explaining the financial landscape and in arranging meetings with potential clients other market participants and senior government officials Investment Banking and Investment Opportunities in China should prove equally valuable as we now look to further expand our activities to mainland China Douglas Reinfeld Miller EVP Ambac Assurance and Chairman CEO Ambac Assurance UK Ltd There is no more important market than China today Dr Liaw's book provides an overview of the current situation and recommendations as to how investors can profit from China's amazing growth Donald Tang Chairman Bear Stearns Asia Ltd and Vice Chairman Bear Stearns Co Inc Professor Liaw's book takes you on a quick walk through the major milestones in China's economic development over the past two decades It shows a clear understanding of the environment for doing business in China and explains hot topics in the marketplace This book is simple easy to read and yet highly informative Jesse Wang Vice Chairman China Central SAFE Investments Ltd and Chairman China International Capital Corporation Ltd Provides a clear map of China's financial system investment banking business and investment opportunities It should be read by all who are interested in China Mao Wei Hung Dean College of Management National Taiwan University Dr Liaw's book is a comprehensive professional reference work for those of us involved in the global investment arena I highly recommend it Charles P Menges Jr CFA Principal Business Global Wealth Management a Unit of Alliance Bernstein LP China's development has a unique track including the financial market People who want to profit from China should have a clear view of this market Dr Liaw's book explaining China's market opening and foreign participation is the one necessary for them to read Wei Xing Director of Rules and Regulations China Insurance Regulatory Commission **Mutual Funds** John Haslem, 2009-02-09 This authoritative book enables readers to evaluate the various performance and risk attributes of mutual

funds while also serving as a comprehensive resource for students, academics, and general investors alike. Avoiding the less useful descriptive approach to fund selection, this book employs a balanced approach including both technique and application. The chapters combine clear summaries of existing research with practical guidelines for mutual fund analysis. Enables readers to analyze mutual funds by evaluating a fund's various performance and risk attributes. Includes templates which provide an efficient sound approach to fund analysis, interpretation of results, buy/sell decisions, and the timing of decisions. Combines clear summaries of existing research with practical guidelines for mutual fund analysis. Thomas Liaw, 1999-02-15 The business of investment banking has become intensely competitive. With a growing number of clients who prefer to deal with a single financial advisor for all their capital needs, firms must now engage in all major capital market activities in order to meet this demand. Rapid advances in information technology have closely linked the international capital markets, and as a result, major securities firms have gone global to better serve their clients. To fully understand this changing environment and remain players in the game, new and seasoned professionals alike will require detailed, in-depth information on a broad scope of banking operations. *The Business of Investment Banking* is a complete guide to the major banking activities in today's global marketplace. This convenient one-volume reference identifies and analyzes key trends worldwide, allowing banking and finance professionals to effectively manage deals and incorporate trends into operations. In *The Business of Investment Banking*, Professor K. Thomas Liaw goes beyond traditional banking topics and includes extensive coverage of rarely discussed subjects that are integral to investment banking, such as emerging markets, proprietary trading, repurchase transactions, operations, money management, and how foreign firms list on Wall Street. Beginning with an overview covering everything from underwriting to M&As to global presence, Liaw provides a thorough and rigorous analysis of the current market practices in all relevant business segments. He presents an investment banker's perspective on the current

environment with a detailed description of the strategic decision making process that is crucial to successfully managing the investment bank This thorough guide is divided into four main sections Basic Business explores venture capital investment mergers and acquisitions underwriting and asset securitization Global Perspective detailed information about foreign listing on Wall Street international capital markets and emerging markets Trading and Risk Management extensive data on proprietary trading repurchase agreements financial engineering and money management Special Topics discusses clearing and settlement securities regulation ethics major trends and Section 20 subsidiaries Comprehensive unparalleled coverage of a wide range of topics makes The Business of Investment Banking an invaluable one stop resource for all practicing investment banking professionals and for graduate students interested in a career in capital markets **Encyclopedia of**
