How to use Artificial Intelligence to grow your Wealth Vito Lira, A lot of trading education books teach a top down or a bottom up approach how about the right way approach and doing it the right way from day one Mostly all of the trading books teach this business not only wrong but they teach it unrealistically why would you want to learn this way and perhaps do something that could cause you to lose your money I have written this book series in a way I feel the progression of information should be learned to be able to go into the live markets with confidence and no fear The principles in How to use Artificial Intelligence to grow your Wealth can be used in any market on any time frame it does not matter This is what makes the information so valuable and I give it to you right here in this book and in one place at one time you're welcome How to use Artificial Intelligence to grow your Wealth is meant to expedite your learning curve which can sometimes be long and costly Sure you can Google this or that information however it would take you many years to learn what I am going to tell you in this book before you could invest any of your hard earned real money in the live markets and have a chance making real money How to use Artificial Intelligence to grow your Wealth is meant to give you the basic information you need to make a decision as to whether to get into this business or not If you are thinking that trading and investing in the live market with your hard earned real money is going to be easy and you are going to make millions of

dollars doing it you are in for a rude and very expensive awakening Don't get me wrong you can and will make some money every day in the live markets perhaps LOTS OF IT if you do what it says in How to use Artificial Intelligence to grow your Wealth Nothing in the market is guaranteed it's about putting all the probabilities of having a positive outcome as a market participant in your favor that helps you win let's start doing that right now in this book shall we

How to win more in Forex Richard Christopher, As a brand new investor and trader with zero knowledge of the business you are at a loss as to what information you actually do and do not need Much of what the current trading education industry is putting out is not only giving you information that is all backwards it is very unrealistic to do in the live markets and can get you into a lot of trouble Why would you want to learn something that could potentially cause you to lose money right away in your new trading business The trading education industry is not regulated so beware of that Anyone can put out a YouTube video of anything and brand new traders who are watching these types of things thinking that what they are viewing are the right things to do I wrote How to win more in Forex for all beginning aspiring investors and traders who are just getting their head around doing the day trading and swing trading business Everyone has their own ideas of what they think day trading and swing trading are and what it can do for them How to win more in Forex is for people who want to start their own business and become investors and traders in today's financial markets but have zero experience and are looking for the best quality information to get them started Many of the things I tell brand new investors and traders in all my books may sound like I am a broken record and some things you read may sound repetitive I do that for a specific reason because much of what trading is about is doing those same actions over and over again repetitively to make money the same way every day It is the only way professional traders do it and how they develop their edge to win in the live markets against the best market participants in the world The reason How to win more in Forex is unique is that it is going to tell you about who your competition is and how you can beat them what you need to study first that will make you rich fast where you need to go to get consistently profitable quickly when you should and should not be in the live market and how about the other information you need to know to be able to trade and invest in today's financial markets or any tradable market with confidence and zero fear and to be able to do it the right way from the start When you are done reading How to win more in Forex you will have an excellent basic explanation of what and what not to do before you even study anything or do any kind of education The information in How to win more in Forex will put you on the fast track to becoming a successful self directed investor and trader with very little money invested other than the cost of How to win more in Forex learning it Harvard or Columbia business school would cost one hundred thousand dollars or more
