Daybreak at the Straits and Other Poems Eric Linn Ormsby, 2004 Voices at Daybreak and Other Poems Robert **Shut Up He Explained** John Metcalf, 2007-09-15 John Metcalf s Shut Up He Explained defies expectations and strict definition Part memoir part travelogue part criticism wholly Metcalf it is thoughtful engaged contentious and often very funny It offers a full does of Metcalfian wisdom and wit and provides ample evidence that neither age nor indifference nor attack have withered him he remains as sharp critical constructive and insightful as ever Indeed this may just be his most important and engaged book Certainly it will be among his most controversial What his critics will refuse to see of course is that it is also among his most positive that it is a celebration of the best literature Canada has to offer the birth of which Metcalf himself both witnesses and actively encouraged Shut Up He Explained is magisterial a virtuoso performance melding several seemingly different strands into one coherent narrative which should delight and entertain as it serves to argue elucidate and celebrate Canadian Literature in English W. J. Keith, 2006 W J Keith has chosen to ignore utterly both the popular at the one extreme Robert Service Lucy Maud Montgomery as well as the avant garde at the other bpnichol Anne Carson in favour of those authors whose style lends itself to the simple pleasure of reading and to that end Keith dedicates his history to all those including those of the general reading public whose endangered status is much lamented who recognize and celebrate the dance of words Time's Covenant Eric Ormsby, 2007-04-30 Bringing together Eric Ormsby s entire poetic oeuvre thus far including a healthy selection of previously unpublished poems Time s Covenant is timeless by one of America's best poets Essential reading You Are Here James Pollock, 2012-11-15 Northrop Frye wrote that for Canadian poets the question of identity isn t so much Who am I as Where is here In his ground breaking book James Pollock gives his answer that where we are as a literary culture has a great deal to do with our relationship to elsewhere For far too long Canadians have refused to read our poetry in the larger international context of poetry as an art leaving our poets isolated and ignored Pollock sets out to situate our verse on the map of world poetry a map which like one of those incomplete globes from the sixteenth century still leaves Canada largely uncharted Acutely intelligent and unflinchingly honest in its judgements You Are Here is an eye opening guide to the new world of Canadian poetry sensitively exploring the work of such poets as Anne Carson Daryl Hine Jeffery Donaldson Karen Solie and Eric Ormsby The collection ends with a witty treatise on good criticism and a passionate and learned reconsideration of poetic values making You Are Here an essential companion for students and lovers of Canadian poetry everywhere Poems and Other Literary Remains Rowland Lyttleton Archer Davies, 1884 Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 American Book Publishing Record, 2003 Book Review Digest ,2009 Contemporary Authors New Revision Series ,2005 A biographical and bibliographical guide to current writers in all fields including poetry fiction and nonfiction journalism drama television and movies Information is provided by the authors themselves or drawn from published interviews feature stories book
