Days Of Hope:

21 Days Hope Ladder Journal Dr. Frances Harris, 2020-06-30 In this beautifully written self help journal Dr Frances Harris gives her readers a clear daily path that will reconnect us with God She offers us a personal engaging perspective by referencing the daily ups and downs of her life and how it took a toll on her hope She begins to visualize a ladder that reached high high above the short term turbulence This book is the materialization of what began as a small encouraging spiritual whisper in her ear The result became this step by step guide to enlightenment Before this she could not see the unseen presence of God s hand in her life because it was cluttered full of stuff It took time talking over and over again to God trying to listen then following through with what she thought He was saying or instructing her She knew her life would be a step by step forward moving journey With this book she is inviting readers to hold her hand and join her in the most beautiful divine stroll you could ever take
