D.B. Cooper, Dead Or Alive? Richard Thomas Tosaw,1984 **Flights of No Return** Steven A. Ruffin,2015-05-01
Discover the mysterious controversial and sometimes downright eerie history of flights that didn't end as planned The history of aviation is full of accounts of history's most spectacular flights But what about the ones from which someone failed to return A celebrated millionaire who also happened to be the world's foremost aviator lifted off in a small plane one clear morning in 2007 and disappeared The glamorous son of a beloved fallen president took off on a hazy summer night in 1999 and plunged himself and two others into the Atlantic Ocean A US Navy blimp landed one Sunday morning in 1942 in the middle of a city street in California with no one aboard Some of these non returns occurred because of errors in judgment others were intentional and some resulted from causes still unknown Get the full meticulous account of the fascinating people involved in these flights the mistakes they made and the ways in which their flight of no return affected the world Pilot and aviation writer Steven A Ruffin covers the entire 230 year span of manned flight in all types of aircraft through war and peace Balloons blimps biplanes jets and spaceships have all suffered mishaps over the years Don't miss the mystery adventure intrigue and a sprinkling of the supernatural and extraterrestrial in **Flights of No Return** **Traveler's History of Washington** Bill Gulick,1996 **Amazing Flights and Flyers** Shirlee Smith Matheson,2010 **History of Washington County** Alfred Creigh,1870 *The Philosophy of Being in the Analytic, Continental, and Thomistic Traditions* Joseph P. Li Vecchi, Frank Scalabrino, David K. Kovacs,2020-10-01 This book provides a discussion of the philosophy of being according to three major traditions in Western philosophy the Analytic the Continental and the Thomistic The origin of the point of view of each of these traditions is associated with a seminal figure Gottlob Frege Immanuel Kant and Thomas Aquinas respectively The questions addressed in this book are constitutional for the philosophy of being considering the meaning of being the relationship between thinking and being and the methods for using thought to access being On the one hand the book honors diversity and pluralism as it highlights how the three traditions may be clearly and distinctly differentiated regarding the philosophy of being On the other hand it honors a sense of solidarity and ecumenism as it demonstrates how the methods and focal points of these traditions constitute and continue to shape the development of Western philosophy This book contributes toward an essential overview of Western metaphysics and will be of particular interest to those working in the history of philosophy and in the philosophy of being **The Bad Guys: The 25 Most Incurable Imposters, Villains, and Killers Ever to Walk the Earth** Sarah Dowdey, Deblina Chakraborty,2012-11-19 A deep abiding passion for a modern day tyrant sociopath or fraud might be cause for concern among the newshound's friends and family But let the story be strange enough and let enough time pass and suddenly the subject becomes obsession worthy something to share at trivia night to pore over at the library or as it turns out to recommend to us Since starting our podcast Stuff You Missed in History Class listeners have written in to request countless villains tyrants and imposters representing all eras of history and all

corners of the world Sometimes the stories of these no good characters turn out to be worse than imagined like the nightmarish murders committed by the real Bluebeard Gilles de Rais Other times though the villains revealed a surprisingly human side like the fierce female pirate Zheng Yi Sao s plans for a comfy retirement or master thief Adam Worth s deep devotion to his family and his code This book pulls together the exploits of these historically bad and worse than bad figures into one collection arranged into chapters we thought made sense You ll find tyrants like Caligula with conquerors like Tamerlane the questionably bad gangster Ma Barker grouped with mastermind mobster Al Capone and folk hero criminal D B Cooper paired up with the charmingly fraudulent Princess Caraboo And if by the end you re not already losing sleep thanks to terrifying visions of the pirate Blackbeard with his beard alight we ve included some bonus content on creepy hotels and mysterious hidden passageways to kick off your next research obsession Enjoy Sarah and Deblina
