Reissued from the Bulletin of the Bureau]**. Organization of American states, 1892 *Maatschappij-Belangen*, 1891 **The Phonetic Educator**, 1878 *The Conjure Woman* Charles Waddell Chesnutt, 1899 This edition reassembles for the first time all of Chesnutt's work in the conjure tale genre the entire imaginative feat of which the published *Conjure Woman* forms a part It allows the reader to see how the original volume was created how an African American author negotiated with the tastes of the dominant literary culture of the late nineteenth century and how that culture both promoted and delimited his work In the tradition of Uncle Remus the conjure tale listens in on a poor black southerner speaking strong dialect as he recounts a local incident to a transplanted northerner for the northerner's enlightenment and edification But in Chesnutt's hands the tradition is transformed No longer a reactionary flight of nostalgia for the antebellum South the stories in this book celebrate and at the same time question the folk culture they so pungently portray and ultimately convey the pleasures and anxieties of a world in transition Written in the late nineteenth century a time of enormous growth and change for a country only recently reunited in peace these stories act as the uneasy meeting ground for the culture of northern capitalism professionalism and Christianity and the underdeveloped southern economy a kind of colonial Third World whose power is manifest in life charms magic spells and haunts all embodied by the ruling figure of the conjure woman Humorous heart breaking lyrical and wise these stories make clear why the fiction of Charles W Chesnutt has continued to captivate audiences for a century *MEDEDEELINGEN* Wageningen (Netherlands) LANDBOUWHOOGESCHOOL, 1908
