Dead Dog Cafe Thomas King, 2005      **History of Literature in Canada** Reingard M. Nischik, 2008 The development of literature in Canada with an eye to its multicultural multiethnic multilingual nature From modest colonial beginnings literature in Canada has arrived at the center stage of world literature Works by English Canadian writers both established writers such as Margaret Atwood and new talents such as Yann Martel make regular appearances on international bestseller lists French Canadian literature has also found its own voice in the North American and francophone worlds CanLit has likewise developed into a staple of academic interest pursued in Canadian Studies programs in Canada and around the world This volume draws on the expertise of scholars from Canada Germany Austria and France tracing Canadian literature from the indigenous oral tradition to the development of English Canadian and French Canadian literature since colonial times Conceiving of Canada as a single but multifaceted culture it accounts for specific characteristics of English and French Canadian literatures such as the vital role of the short story in English Canada or that of the chanson in French Canada Yet special attention is also paid to Aboriginal literature and to the pronounced transcultural ethnically diverse character of much contemporary Canadian literature thus moving clearly beyond the traditions of the two founding nations Contributors Reingard M Nischik Eva Gruber Iain M Higgins Guy Laflamme Dorothee Scholl Gwendolyn Davies Tracy Ware Fritz Peter Kirsch Julia Breitbach Lorraine York Marta Dvorak Jerry Wasserman Ursula Mathis Moser Doris G Eibl Rolf Lohse Sherrill Grace Caroline Rosenthal Martin Kuester Nicholas Bradley Anne Nothof Georgiana Banita Gilles Dupuis and Andrea Oberhuber Reingard M Nischik is Professor of American Literature at the University of Constance Germany      **Parallel Encounters** Gillian Roberts, David Stirrup, 2014-03-24 The essays collected in offer close analysis of an array of cultural representations of the Canada US border in both site specificity and in the ways in which they reveal and conceal cultural similarities and differences Contributors focus on a range of regional sites along the border and examine a rich variety of expressive forms including poetry fiction drama visual art television and cinema produced on both sides of the 49th parallel The field of border studies has hitherto neglected the Canada US border as a site of cultural interest tending to examine only its role in transnational policy economic cycles and legal and political frameworks Border studies has long been rooted in the US Mexico divide shifting the locus of that discussion north to the 49th parallel the contributors ask what added complications a site specific analysis of culture at the Canada US border can bring to the conversation In so doing this collection responds to the demands of Hemispheric American Studies to broaden considerations of the significance of American culture to the Americas as a whole bringing Canadian Studies into dialogue with the dominantly US centric critical theory in questions of citizenship globalization Indigenous mobilization hemispheric exchange and transnationalism      **The Broadview Introduction to Literature: Short Fiction** Lisa Chalykoff, Neta Gordon, Paul Lumsden, 2013-08-09 Designed for courses taught at the introductory level in Canadian universities and colleges this new anthology provides a rich selection of

literary texts In each genre the anthology includes a vibrant mix of classic and contemporary works Each work is accompanied by an author biography and by explanatory notes and each genre is prefaced by a substantial introduction Pedagogically current and uncommon in its breadth of representation The Broadview Introduction to Literature invites students into the world of literary study in a truly distinctive way The short fiction volume of The Broadview Introduction to Literature gathers 39 important short stories from Edgar Allan Poe to Sherman Alexie Examples of microfiction illustrated fiction and formally innovative stories are included along with classics of the genre

**We Resist** Cynthia Levine-Rasky, Lisa Kowalchuk, 2020-05-21 The 2016 US presidential election exposed rising xenophobic and nationalist sentiment within the United States and other democratic countries As populist movements grow democratic freedoms erode We Resist demonstrates that the things we often take for granted safety family employment health a promising future are under attack and we must fight to preserve these resources before it's too late We are currently witnessing the dismantlement of social programs growing disinterest in international cooperation and the devaluation of evidence based knowledge This disturbing shift in politics is leading to increased national security measures violations to basic human rights and widening social and economic inequalities The rise of far right populism brings with it intolerance of ethnic sexual and all other minority groups and a rejection of democratic society We Resist gathers the compelling perspectives of scholars and activists who are deeply embedded within political and community struggles who participate in policy decisions and who are engaged in research that advances those struggles An essential and timely book We Resist confronts the problems we face as a human community and impels a cross sectoral movement to defend our rights and revitalize the common good

In the last thirty years of the twentieth century Canadian federal governments offered varying degrees of support for literary and other artistic endeavour A corollary of this patronage of culture at home was an effort to make the resulting works available for audiences elsewhere in the world Current developments in the study of translation and its influence as cultural transfer have made possible new assessments of such efforts to project a national image abroad *Translating Canada* examines cultural materials exported by Canada in addition to those selected for acquisition by German publishers theatres and other culture brokers It also considers the motivations of particular translators and the reception by German reviewers of works by a wide variety of Canadian writers novelists and poets playwrights and children's authors literary and social critics Above all the book maps for its readers a number of significant though frequently unsuspected roles that translation assumes in the intercultural negotiation of national images and values The chapters in this collection will be of value to students teachers and scholars in a number of fields Informed lay readers too will appreciate the authors insights into the different ways in which translation has contributed to German reception of Canadian books and culture *Translating Canada* examines cultural materials exported by Canada in addition to those selected for acquisition by German publishers theatres and other culture brokers It also considers the motivations of particular translators and the reception by German reviewers of works by a wide variety of Canadian writers Published in English *Hidden in Plain Sight* Daniel J. K. Beavon,Cora Jane Voyageur,David Newhouse,2005-01-01 The history of Aboriginal people in Canada taught in schools and depicted in the media tends to focus on Aboriginal displacement from native lands and the consequent social and cultural disruptions they have endured Collectively they are portrayed as passive victims of European colonization and government policy and even when well intentioned these depictions are demeaning and do little to truly represent the role Aboriginal peoples have played in Canadian life *Hidden in Plain Sight* adds another dimension to the story showing the extraordinary contributions Aboriginal peoples have made and continue to make to the Canadian experience From treaties to contemporary arts and literatures Aboriginal peoples have helped to define Canada and have worked to secure a place of their own making in Canadian culture For this volume editors David R Newhouse Cora J Voyageur and Daniel J K Beavon have brought together leading scholars and other impassioned voices and together they give full treatment to the Aboriginal contribution to Canada's intellectual political economic social historic and cultural landscapes Included are profiles of several leading figures such as actor Chief Dan George artist Norval Morrisseau author Tomson Highway activist Anna Mae Pictou Aquash and politician Phil Fontaine among others Canada simply would not be what it is today without these contributions The first of two volumes *Hidden in Plain Sight* is key to understanding and appreciating Canadian society and will be essential reading for generations to come **Words in Common** Gillian Thomas,1999 This text is aimed at English composition courses at university and
