Dead Ground Jamaal Russell, 2025-09-05 Some wars never end They just wait for you to come home Caleb Rourke was a name whispered in black ops corridors and feared in warzones around the globe Known as Gravestone for his cold unshakable precision he walked away from it all burying his weapons his past and the man he d become on a remote island few could find But peace is a fragile thing When Wes Calderon an old teammate with more scars than secrets arrives with a desperate mission rescue Miguel s younger brother from a covert child soldier program Rourke is forced to confront a ghost he thought long dead Archer Voss a brilliant remorseless operator who s perfected the art of turning children into obedient unfeeling weapons The hunt drags Rourke from the humid stillness of his island refuge into jungles cartels and blacksites where morality is a casualty and every choice has a body count Each step toward the boy s salvation pulls him closer to becoming Gravestone again and once he crosses that line there may be no way back DEAD GROUND is a gritty high stakes military thriller packed with raw emotion unflinching realism and relentless pacing Perfect for fans of Jack Carr The Terminal List Gregg Hurwitz Orphan X Mark Greaney The Gray Man If you like your thrillers dark visceral and impossible to put down Dead Ground will leave you breathless

Dead Ground Gerald Seymour, 1999-08-13 Celebrated for his palm sweating tension The New York Times and rare insight The Plain Dealer Gerald Seymour defines spy fiction at its best Now in this chilling revenge mission and haunting love story he floodlights the East German Stasi as a young female British army corporal seeks retribution for Cold War atrocities One frozen night Tracy Barnes witnesses the killing of her lover by the East German secret police Years later when the Wall has crumbled and old enemies have become new friends Tracy encounters the murderer and plans to make him pay But in a country still at war with itself Tracy finds that she is being played as a pawn in a far bigger game reaching all the way to Moscow
