With only hours to stop the assignation, Shayne heads to Washington DC where the greed, corruption, and danger should be enough to keep him up all night. But even if he survives until morning when the hearings resume, there won't be enough alcohol in the world to wash the taste of the most crooked people on Earth out of his mouth. The hard drinking, hard fisted, quick thinking private eye. Dayton Journal Herald **Million Dollar Handle** Brett Halliday, 2025-11-18. When PI Mike Shayne is implicated in a dog racing scandal, he has to gamble with his reputation and his life in a race for the truth. Max Geary is the king of Miami dog racing. Singlehandedly, he's made the sport respectable. And what has it gotten him? A track that's failing, a hotel developer pressuring him to sell, and an assistant kennel master who's drugging the dogs, running a betting scheme, and sleeping with his wife. When Geary is killed in a car accident, his little black book of bribes survives. On the list is Mike Shayne. There are a lot of people in Miami salivating over the imminent demise of the private investigator, but he's not going down without a fight, even if it means taking the most powerful people in South Florida down with him. The hard drinking, hard fisted, quick thinking private eye. Dayton Journal Herald *Count Backwards to Zero* Brett Halliday, 2025-11-04. When a suicidal scientist decides to go out with a bang while on a cruise ship, he'll take everyone down with him, including PI Mike Shayne. After investigating a heroin smuggling case on Bermuda, Mike Shayne needs some downtime and decides to hitch a ride back to Miami on the Queen Elizabeth II. But just as he bellies up to the bar, he's accosted by a gorgeous woman who needs his help and won't take no for an answer. While sailing from England, Anne Blagden has befriended a British atomic physicist who's been hired by an American aerospace company. Saddled with a wife he hates, financial problems, and ungrateful children, the depressed scientist has decided to turn his fresh start into an explosive end by smuggling onboard seventeen pounds of plutonium and a detonator, a functioning atomic bomb. Needless to say, Shayne finds the story truly unbelievable until the facts begin to fall into place. With Anne at his side, he'll have to wade through a morass of petty criminals, double agents, and arms dealers who are all willing to kill to get their hands on the bomb. And this time, Shayne just might be in over his head. The hard drinking, hard fisted, quick thinking private eye.
