

The book cover features a dark, atmospheric illustration of a snowy Berlin street at night. In the background, a large, ornate building with many windows is visible, some of which are lit. A lone figure is walking away from the viewer down the snow-covered street. To the left, a large, spoked wheel, possibly part of a tram or a fortification, is partially visible. The sky is dark and cloudy, with a hint of light breaking through. At the top, a large, dark eagle with spread wings is perched, its body and wings blending into the dark background. The overall tone is somber and mysterious, reflecting the wartime setting of the novel.
