well to do family who is afflicted with blindness Franklin purchases Porthgenna Tower after the Captain's death and the couple plan to move into the property and renovate it Doing so however means that they are likely to uncover the hidden letter concealing the family secret While critics don't consider *The Dead Secret* to be one of Collins' best novels it contains some of the same elements of mystery and suspense as *The Woman in White* and *The Moonstone* and much of his characteristic wry humor This book is part of the Standard Ebooks project which produces free public domain ebooks
