Deadlock Dorothy Miller Richardson,2015-06-26 Excerpt from Deadlock The publication of Deadlock brings the career of a most arresting and significant novelist to the point at which it becomes possible if not imperative to add something to what Mr J D Beresford wrote some six years ago in his wholly admirable Foreword to Pointed Roofs That career here defined by another milestone has proceeded thus far through considerable stages of growth to be sure but without essential change of direction It has also become what for all I know Miss Richardson herself might humorously deprecate the notion of its being a substantial Force Somehow I cannot imagine this writer as attaching much importance to the concept of herself as a contemporary and future influence She is all for thinking with one's nerves for seizing with sensitive delicacy of intuition the immediate quintessence of things as they are in themselves not the ultimate effect of things as they are in their implications She once made her recurring character Miriam Henderson a being whom I choose without argument to identify with certain past phases of the novelist's own consciousness deliver several pages of really fruitful speculation on the ultimate function of the novel About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Deadlock Al Lacy,Joanna Lacy,2009-08-18 The Zarbo brothers are seasoned outlaws with a reputation for killing Already wanted in two states they set their sights on Colorado and a string of bank robberies They don't count on running into Chief U S Marshal John Brockman John arrests Lee Zarbo but his brothers remain in hiding Lee's sentence to death by hanging incites them to desperate measures They'll do anything to get him out alive Even kidnap the Chief U S Marshal's daughter When John learns of his young daughter's captivity and the conditions for her release he must turn to the Lord for direction It takes all the faith he can muster to wait for the answer Without freeing a dangerous criminal can John find Ginny before they kill her **Deadlock** Robert Liparulo,2009-12-21 Hutch is a newspaper columnist single dad and last defense against a lunatic's high tech killing machine in this edge of your seat thriller Special Forces
