

"WANTED DEAD OR ALIVE"

It's all the same, only the _____ will change
Everyday it seems we're wasting away
Another _____ where the faces are so cold
I'd drive all night just to get back _____

[Chorus:]

I'm a cowboy, on a steel _____ I ride
I'm wanted dead or alive
Wanted dead or alive

Sometimes I _____, sometimes it's not for days
And the people I meet always go their separate ways

Sometimes you tell the _____
By the bottle that you drink

And times when you're _____ all you do is think

[Chorus]

I walk these _____, a loaded six string on my back
I play for keeps, 'cause I might not make it back
I been everywhere, and I'm standing _____
I've seen a million faces on I've rocked them all
I'm a _____, on a steel horse I ride

I'm wanted dead or alive

I'm a cowboy, I got the _____ on my side

I'm wanted dead or alive

And I ride, dead or alive

I still drive, dead or alive

Dead or alive *[x4]*

 The Long Journey Steven Friedman, 1993 Most South Africans don't have the faintest idea what happened at Codesa or is happening at subsequent multiparty negotiations Plenaries working groups subgroups independent election commissions

transitional executive councils government of national unity it is incomprehensible to almost everyone who hasn't been involved and probably quite a few who have. The Long Journey South Africa's Quest for a Negotiated Settlement seeks to penetrate the fog. Written by a team of analysts associated with the Johannesburg based Centre for Policy Studies it outlines events that led up to constitutional negotiations, recounts the history of Codesa and its aftermath and most important attempts to draw out the implications for our political future. This work is remarkable because it is both very comprehensive and very clear. It examines the workings of Codesa in great depth; there are detailed accounts of closed proceedings within the four working groups based on interviews with prominent participants and confidential records of proceedings. It graphically recounts events after Codesa's collapse and the processes which led the parties back to the negotiating table. In mapping out the most probable political development paths it clarifies the options open to the parties involved in negotiations and likely to govern South Africa in future. However, all this is presented in refreshingly plain and easily assimilable prose. The themes identified by The Long Journey will remain vital to the country's future into the next decade. It is richly illustrated with photographs which in themselves provide a valuable record of this period.
