Deadly Commitment:

Deadly Commitment Kathy Harris, 2020-02 As Danielle Kemp walks out of her downtown Nashville condominium she gets the eerie feeling someone is watching her As days go by she becomes convinced the homeless man outside her building is stalking her But after learning the real identity of the intimidating stranger she faces something even more threatening the truth about her fianc The *Deadly Secrets* is a new fiction series with southern charm and big city twists Set in the author's hometown of Nashville Tennessee it is filled not only with intrigue and suspense but subtle glimpses into how God is at work in the lives of ordinary people doing ordinary jobs or maybe they aren't so ordinary after all **A Journeyed Lifetime**

within 33 Years Jennifer Parks, 2022-10-26 *A Journeyed Lifetime within 33 Years* By Jennifer Parks This is an analytical story about one person's lifetime of adventure It is a longer story made up of smaller stories ranging from funny to provocative and some more serious in nature This book is to let you know that it is OK to open up about things even if they are not publicly accepted Life is not easy and it is very much a journey of self discovery and forming your own person To make mistakes is natural but to have conflicting thoughts and feelings is also so pertinent in today's culture *The Power of the Dragon* Louis

Turi, 1999-11 Using astrological predictions based on the formation of the Dragon Dr Turigives insight into human behavior and perceptions *Elite Rivalry, Mass Killing and Genocide in Authoritarian Regimes* Eelco van der Maat, 2024-06-18 This book explains how mass killing is driven by elite politics within authoritarian regimes Mass killing and genocide defy reason and explanation How can genocidal elites present defenceless victims as an existential threat Why use indiscriminate killing that drives victims to coordinated resistance Mass killing seems counterproductive irrational and therefore inherently ideological By building on new insights on authoritarian politics this book argues that mass killing is not ideological but instead is a rational response to elite rivalry within authoritarian regimes Mass killing is therefore not driven by rivalries between groups but by elite rivalry within groups In Rwanda for example the genocide was not driven by conflicts between Hutu and Tutsi but by conflicts within the Hutu regime The work demonstrates how mass killing helps elites build coalitions with groups that benefit from violence and how it divides support coalitions of rival elites Mass killing can therefore help elites win dangerous internal rivalries By qualitatively and quantitatively exploring elite rivalry and mass killing this book provides a new explanation for a host of mass killings and genocides It demonstrates that well known genocides such as the Rwandan and Cambodian genocides which are seemingly ideological are instead better explained by elite rivalry Mass killing is therefore not driven by the random madness of leaders nor by the desire to kill an outgroup but by the internal threats that authoritarian elites face This book will be of much interest to scholars and students of civil wars genocide political violence and International Relations in general *The Pacific Reporter*, 1927 *The Daily Guide* Atarah Shalom, 2017-03-08

Included in *The Daily Guide* is everything you need to be guided in your day to day walk with God in His Word that's why the book is called what it is Interested in spending more time in prayer Open it to the prayer section and begin to develop a

closer dialog with God If youre curious about what the Word says about your identity in Christ depression or other topics theres a devotional for exactly the challenge youre facing In the Bible Paul was on the road to Damascus when he saw a bright light and heard the voice of God Those traveling with him saw the light but did not hear Gods voice You may see the light of Gods Word written but can you hear the voice behind it Your ability to hear from God is crucial to experiencing success deliverance and manifestations The Daily Guide is designed for you to not only hear but have confidence in the voice of God Psalm 29 1 5 says that when you hear and obey the voice of God there are no obstacles that can stand in your way The Bible is Gods Word that came from His voice You must know Gods written Word in order to understand His spoken Word This is why The Daily Guide is filled with the Word of God but reading the scriptures alone wont bring deliverance results or manifestation The Daily Guide is meant to give you understanding and clarity of the Word of God which is the door that leads you into the secret things of God When you meditate on the Word God will speak Like Paul when you hear the voice of God and dont just see the light your life will change forever

Board of Administration, 1919 *Academics and your Spiritual Life* Sam O Salau, 2018-04-01 Contrary to popular belief spirituality is no excuse for mediocrity Dedication and commitment to the things of God does not enhance academic failure it promotes academic excellence Success for a Christian Student is defined as spiritual buoyancy and academic progression You must be able to affect lives on campus and at the same time maintain a splendid academic performance The problem of academic excellence that exasperates Christian Students is the cause of their deeper problem of abstinence from fellowship activities on campus Academic success has become the major reason for most Christian Students estrangement from God Those who get it are not in faith while those in faith seem not near it no matter how hard they tried It is pathetic to see students who are fervent in the Spirit and burning for the Lord fail in their academics They make great impacts in the ministry but fail to extend the impact into their academics They teach others about the rules guidelines and secrets of success but they are not successful themselves They are victims of academic failure This is pitiable and should be given immediate attention since it has given so many people a wrong impression about the Christian Faith and student hood This book will help you balance both your academics and your spiritual life and also give you principles that will make you excel in both with ease
