Zervopoulos, İlhan Öztürk, Dima Jamali, John Rice, 2024-08-27 This book presents selected proceedings of the International Conference on Business Analytics in Practice ICBAP2024 which was held on January 8-11, 2024 at the University of Sharjah UAE. The book presents advanced modeling and examples to explore the practical applications of business analytics across various industries and domains. In addition, it dives deep into the world of data-driven decision making, showcasing real-world case studies and best practices to illustrate how organizations can harness the power of analytics to optimize their decision-making processes. From descriptive analytics to predictive modeling and prescriptive analytics, readers will gain valuable insights into the different techniques and methodologies employed in business analytics.

Multilingual Classrooms for Young Children in the UK Jieun Kiaer, 2025-01-14 This book demonstrates the importance of raising multilingual children in the UK, both for the children's own benefit and for the benefit of society as a whole. Against the backdrop of both the rich linguistic diversity already present in the UK and the challenges faced by any languages other than a few major European languages to find any space in educational contexts, the author challenges the myth that multilingualism hinders English language acquisition and use, instead emphasising the cultural and cognitive advantages of multilingual education and support for home and community languages. The book is a call to action for educators, policymakers, and parents, combining practical strategies with research-based insights to support its readers in advocating for multilingual education. It presents a hopeful vision for education in the UK where teachers can combine technological innovations and the linguistic resources of their classrooms and communities to support and promote multilingualism.
