## **Practical Ai Writing Tool Tips For Students:**

*Teaching English With AI* Gusti Astika, 2025-04-27 *Teaching English with AI* is a practical guide for high school English teachers who want to start using Artificial Intelligence in the classroom. It offers simple, clear strategies to make your lessons more engaging, reduce your workload, and give students more personalized learning without replacing the human touch that makes teaching meaningful. You'll learn how to use AI tools to support students outside class, automate tasks like grading and feedback, and create lessons that match each student's level. From writing help to speaking practice, lesson planning to gamified learning, this book shows how AI can make your job easier and your classroom more exciting. It also addresses real concerns like feeling unsure about AI or wondering how to use it responsibly. With ready-to-use ideas, lesson plans, and an easy action plan, this book will help you feel more confident using AI while keeping students at the heart of your teaching.

*AI and the Creative Economy* Richard Boateng, Sheena Lovia Boateng, Thomas Anning-Dorson, Obed Kwame Adzaku Penu, 2025-05-23 In recent years, the profound impact of artificial intelligence (AI) on fostering new forms of entrepreneurship has become increasingly evident. Entrepreneurs worldwide are harnessing the capabilities of AI to develop innovative solutions and create businesses that address pressing challenges. Despite the growing recognition of AI's potential, there exists a crucial need to deepen understanding and awareness surrounding how individuals are leveraging AI to establish novel ventures. Many entrepreneurs are pioneering initiatives that deploy AI technologies to tackle complex problems. This challenge revolves around the imperative to explore, document, and comprehend the diverse ways in which AI is driving the emergence of new businesses, solving real-world problems, and reshaping the entrepreneurial landscape. It underscores the necessity for entrepreneurs, researchers, and the wider community to grasp the transformative role of AI in fostering innovation and enabling the creation of businesses dedicated to addressing societal issues. Addressing this challenge will contribute to a more comprehensive understanding of the synergy between AI and entrepreneurship, paving the way for informed and impactful ventures that leverage the full potential of AI technologies. In this respect, the purpose of this book is to offer an in-depth exploration of the intersection between AI and entrepreneurial ventures. The book aims to provide a contemporary and thorough analysis of how AI is playing a pivotal role in shaping new forms of entrepreneurship across various industries. It seeks to illuminate the ways in which entrepreneurs are leveraging AI technologies to drive innovation, address challenges, and create businesses that contribute to societal progress. Focusing on the intersection of AI and the creative economy, this book examines the role of AI in content creation, social media, and influencer entrepreneurship. It provides a snapshot of current research, identifies gaps in knowledge, and presents case studies of content creators who have successfully integrated AI into their workflows. This book highlights the impact of AI on various forms of content creation, including educational, lifestyle, health, and entertainment content. It also includes a comprehensive syllabus for training entrepreneurs on leveraging AI for content creation, emphasizing the balance between technological advancements and

Proceedings of the 2024 7th International Conference on Humanities Education and Social Sciences (ICHES 2024) Feiru Zeng, Asad Khalil, Feng Wu, Jianfei Luo, 2024-12-20. This is an open access book. ICHES started in 2018; the last five sessions of ICHES have all been successfully published. ICHES is to bring together innovative academics and industrial experts in the field of Humanities Education and Social Sciences to a common forum. The 7th International Conference on Humanities Education and Social Sciences ICHES2024 will be held on October 11-13, 2024, in Ningbo, China. This conference serves as a platform for the exchange of innovative ideas, cutting-edge research, and collaborative initiatives that address the pressing issues faced by our communities today. The overarching theme of this year's conference is Bridging Traditions and Innovations, which underscores the importance of harmonizing classical perspectives with modern advancements to foster a holistic understanding of human behaviour, culture, and societal development. By facilitating dialogue and connections among diverse fields such as history, philosophy, sociology, education, and psychology, the conference aims to promote interdisciplinary research and enhance educational practices. Ultimately, the goal is to inspire actionable insights and foster sustainable solutions that contribute to societal well-being and global progress. This year's conference distinguishes itself from previous editions by emphasizing a set of unique and timely research themes designed to address the evolving landscapes of humanities and social sciences. One of the primary themes is Digital Humanities and Society, which explores how digital technologies are transforming historical research, cultural preservation, and educational methodologies. Another significant theme is Social Justice and Equity, focusing on contemporary challenges related to race, gender, class, and access to education, and fostering discussions on policies and practices that aim to create a more just society. Globalization and Cultural Identity is another key theme, examining the effects of global interconnectedness on local cultures and identities and how these dynamics shape both individual and collective experiences in diverse societies. Additionally, Sustainability and Ethics invites scholars to delve into the ethical dimensions of environmental sustainability, social responsibility, and the role of humanities and social sciences in promoting sustainable development. Furthermore, this year's conference introduces a theme on Interdisciplinary Approaches to Crisis Management, addressing the critical need for humanities and social sciences perspectives in understanding and managing global crises.

such as pandemics economic instability and political upheavals By focusing on these distinct research themes the conference aims to not only advance academic discourse but also inspire concrete actions that address the multifaceted challenges of our time
