Media Pluralism in the Digital Era Elda Brogi, Iva Nenadić, Pier Luigi Parcu, 2024-09-13. Bringing together scholars, journalists and researchers from 27 European countries, this book provides a comparative and longitudinal analysis of the evolution of conditions and standards relevant for sustainable free and plural media and journalism in Europe in the last ten years. Approaching the challenging and ever changing concept of media pluralism from various complementary and sometimes conflicting angles, combining legal, economic, social and political perspectives, chapters provide a holistic account of the concept of media pluralism, a key condition for a well functioning democracy. This book draws on data from the Media Pluralism Monitor project, a scientific tool designed and implemented on a regular basis to document the health of media ecosystems to provide insights into central dimensions of media systems across the EU and candidate countries. These include the fundamental protection of freedom of expression and safety of journalists and the independence of media authorities, market plurality, transparency of ownership, media concentration, media viability, competition enforcement and digital platforms dominance, disinformation, media literacy and digital challenges, political independence, conflicts of interest, editorial autonomy and the independence of public service media, social inclusiveness including access to media and representation of women and community media. Offering a comprehensive overview of key areas of EU media policy, causes and solutions for the media economic struggle and innovative examples of business models for journalism in the digital age, this book is recommended reading for advanced students and researchers of media policy and regulation as well as policymakers.

Tourists, Consumer Contracts and Private International Law in China Zhen Chen, 2025-03-29. This book explores the intersection of consumer contracts and private international law with a specific focus on tourists in China. The primary aim is to analyze how private international law addresses consumer protection issues particularly for tourists and to come up with legislative proposals to improve consumer protection in China. By examining current legislative provisions, case studies and judicial practices, the book provides a comprehensive understanding of consumer protection in Chinese private international law and potential legal reforms to enhance consumers' access to justice in cross border litigation. The increasing globalization and mobility of consumers, especially tourists, call for robust legal frameworks to protect their rights across borders. While China does endeavor to protect consumers, the current regulations in Chinese private international law remain insufficient. Consumers, including tourist consumers, still encounter major obstacles in international civil litigation. This book highlights the strengths and weaknesses of China's legal system, offering insights for potential legal reforms to enhance consumer protection there.

This book is intended for academics legal practitioners policymakers and students with an interest in private international law consumer protection and comparative law It also offers a valuable resource for international organizations involved in consumer rights and tourism By providing a focused analysis of tourist related consumer contracts in China it fills a critical gap in the existing literature
