The Community Manager's Playbook Lauren Perkins, 2015-01-05 Savvy companies recognize the value of a strong community. Think of Nike and its community of runners. Nike and you will quickly understand that creating and fostering an online community around a product or brand is a powerful way to boost marketing efforts, gain valuable insight into consumers, increase revenue, improve consumer loyalty and enhance customer service efforts. Companies now have the unprecedented opportunity to integrate their brand's messaging into the everyday lives of their target audiences. Instead, organizations of all sizes must treat community management as a central component of their overall marketing strategy. When they do, they will be rewarded handsomely with greater brand awareness, increased customer use and retention, lower acquisition costs and a tribe of consumers who can't wait to purchase their next product. Perkins not only teaches readers how to build an engaging community strategy from the ground up, but she also provides them with the tactical community management activities they need to acquire and retain customers, create compelling content and track their results along the way.
