"I've learned that people give little bits of themselves every day and that every day counts. I've learned that kindness is the real beauty, that love is like a flower that grows all over the world and that you can help it grow. I've learned that you can be brave even if you're afraid. It is only when you stop loving someone that they can hurt you. I've learned that you can't always get what you want, but if you just try to love what you get, you can be happy and it makes sense." — *Harry and the Rainbow Girls*
