*Suitcase Office* Koen Blanquart,2022-01-15

Not that long ago working from home WFH was a reward a way to find a better work life balance But then came COVID 19 WFH became the norm and for many the very thing that gets in the way of that balanced life Should we all return to the office Specialists agree that tomorrow s workplace will be location independent and even transnational Location independent work offers many advantages It is the answer to employees demand for more autonomy and it creates opportunities in the war on talent It makes companies more agile and competitive by removing the constraints of office space national borders and traditional working hours In *Suitcase Office* digital nomad Koen Blanquart shows that people and processes get in the way of a healthy work life balance rather than location independent work itself He shows managers how to set up their operations to manage agendas and projects effectively even in a transnational context In doing so he guides companies on the path to more

flexibility time and satisfaction among their teams without sacrificing results
