Day It Rained Money:

The Day It Rained Money Chinmoy Mukherjee, 2025-09-11 In the labyrinthine heart of Old Delhi where history clings to every crumbling facade and the air is a rich tapestry of spice sweat and exhaust life is a constant negotiation It is a city of a million tiny transactions not all of them recorded on paper Here the gears of daily life are often greased by a currency of convenience a quiet understanding that flows from pocket to pocket unseen and unspoken It is the cost of doing business of keeping the peace of simply getting by This system of petty corruption is as much a part of the landscape as the ancient mosques and the tangled overhead wires It is a low grade fever in the city's bloodstream a sickness so chronic that most have forgotten what it feels like to be healthy They pay the price they swallow the indignity and they move on But every so often one of these small sordid transactions is dragged from the shadows into the harsh light of day Every so often an ordinary man pushed too far refuses to negotiate This is the story of one such moment a moment when a simple spice merchant's refusal to pay a bribe set off a chain reaction that would rain money onto a crowded street shatter a corrupt policeman's world and prove that even in the dust of Old Delhi the seeds of integrity can still find a place to grow **The Reader's Digest**
